FOREWORD

Within this volume is preserved the record of a significant year in the lives of Litton's Young Moderns.

Here are portrayed their labors and accomplishments, their studies and recreation—everything that combined to produce the unforgettable year that has just passed.

Here are found the teachers and instructors who have helped to mold their young lives by their patience, understanding, and guidance.

Here are found the students themselves, sometimes merry, sometimes serious youth that make up Litton—that *are* Litton; pictured in the beloved halls and classrooms that have held the tears and laughter of "growing up" for over a quarter of a century.

In the following pages are captured many fond memories, unforgettable moments—all of which make up the delightful story of "Litton's Young Moderns and How They Grew."

DEDICATION

Mr. Webb and Mrs. Tomlin

It is only fitting and proper that we, as seniors, dedicate our yearbook to the two people who have rendered the most service to its compilation and to our class. Thus we are proud to dedicate this book to Mrs. Ruth Tomlin, sponsor of the *Blast* and the LITTONIAN, and Mr. Ronald Webb, senior class sponsor.

This annual could not be if it were not for the efforts of the new LITTONIAN and *Blast* sponsor, Mrs. Ruth Tomlin. Mrs. Tomlin, though this has been her first year at Litton, has done a remarkable job with the publications and has endeared herself to all of us.

Our class has had many sponsors, but we are proud and happy to have spent our senior year under the wonderful guidance of Mr. Ronald Webb—a more patient and understanding sponsor we could never find.

To you, Mrs. Tomlin and Coach Webb, we leave our undying gratitude and affection as well as this book to remember us by.

FACULTY

Mr. Foster presides at an assembly of the tutors—commonly known as a faculty meeting.

Here is the Faculty . . . whose influence has shaped the character and inspired the ambitions of so many . . . dedicated to the task of imparting the knowledge that years of experience and study have acquired to today's Young Moderns, that they may add to that knowledge, ever striving for an even better tomorrow.

TO LEARN THE SKILLS, THE CRAFTS, THE ARTS

FACULTY

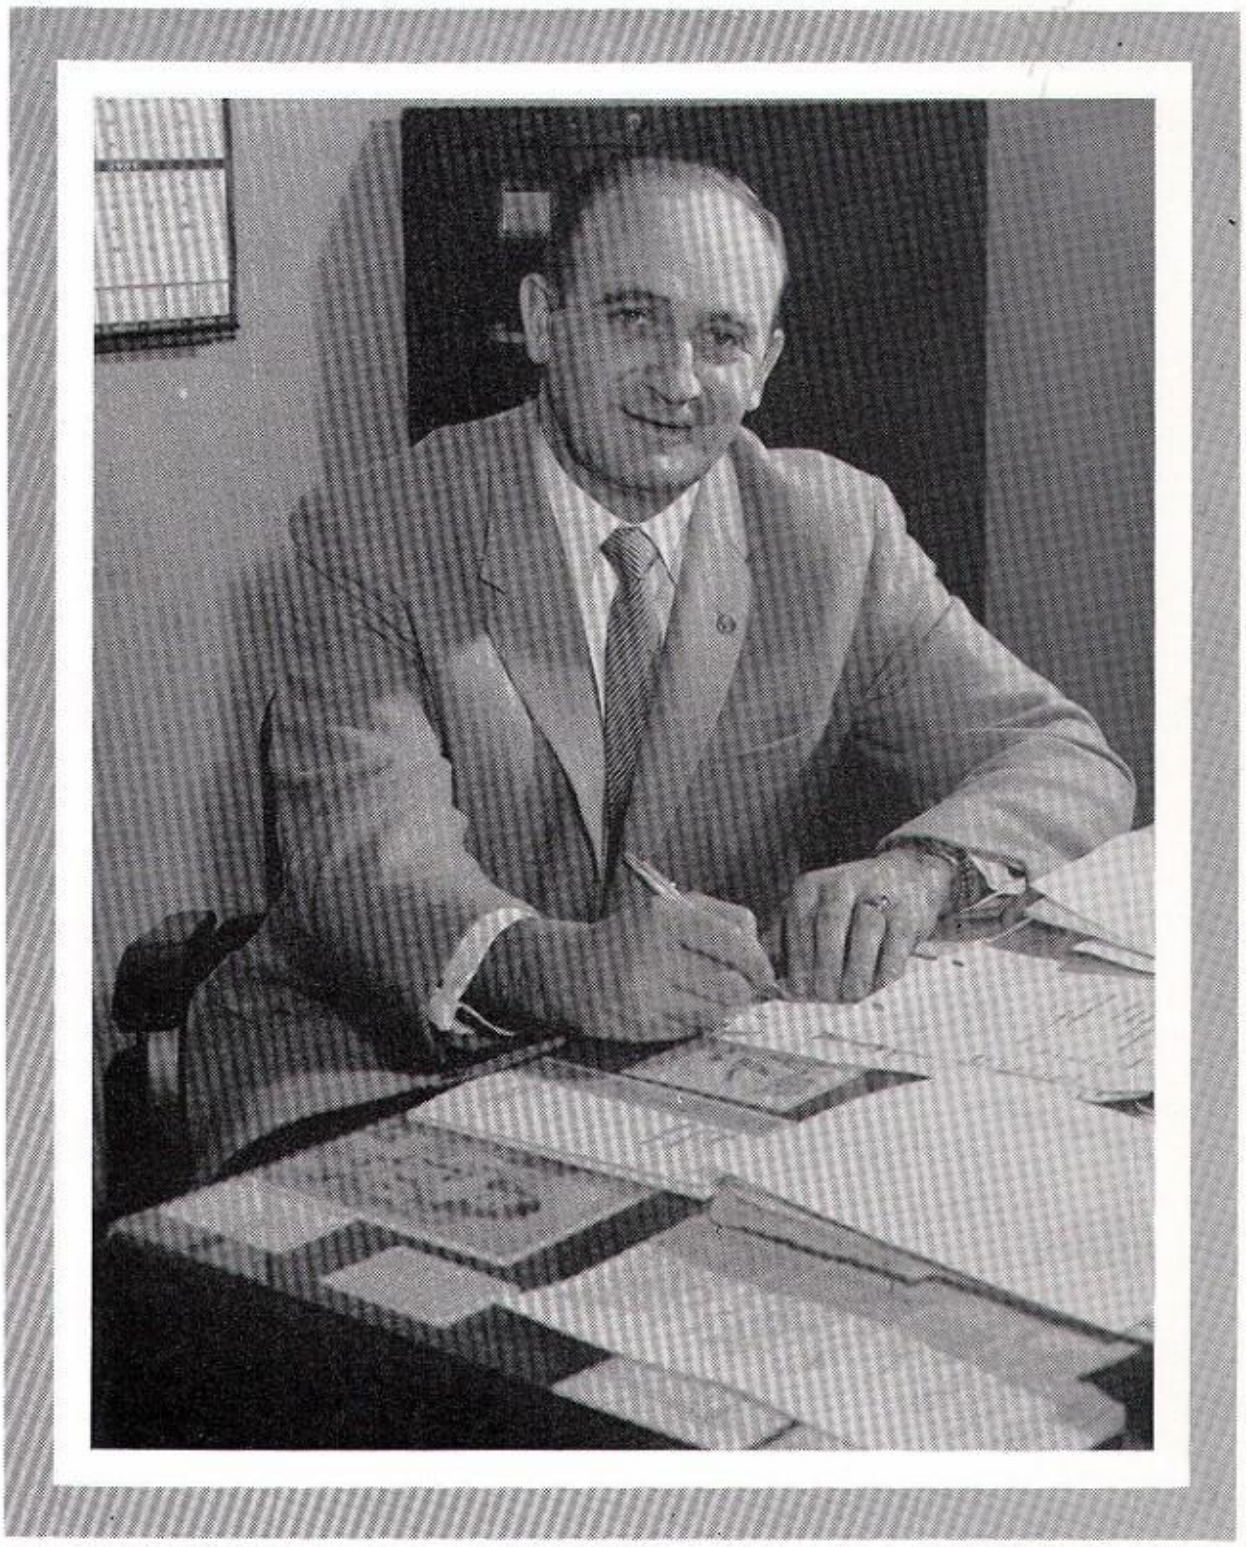
The difficult task of seeing that everything runs smoothly at Litton is in the very capable hands of Principal Marshall Foster.

Mr. Foster is loved and respected by everyone and is admired for his fairness and sound judgment.

Besides being an excellent principal, he is an understanding friend to each Littonite and a wonderful man whose life is an inspiration to us all.

Mrs. Bess Wright serves as his efficient secretary. Hers is a harassing job, for her office is always filled with students and teachers alike wanting to "use the phone," "look up class cards," "use the mimeograph," or just complain about something.

In spite of the many interruptions, Mrs. Wright, with the help of her office assistants, miraculously manages to keep things in order and perform her many secretarial duties. She is always smiling and friendly and willing to render her services to anyone in need of them.



Mr. Foster in a familiar pose.

Mrs. Bess Wright, secretary to a thousand.

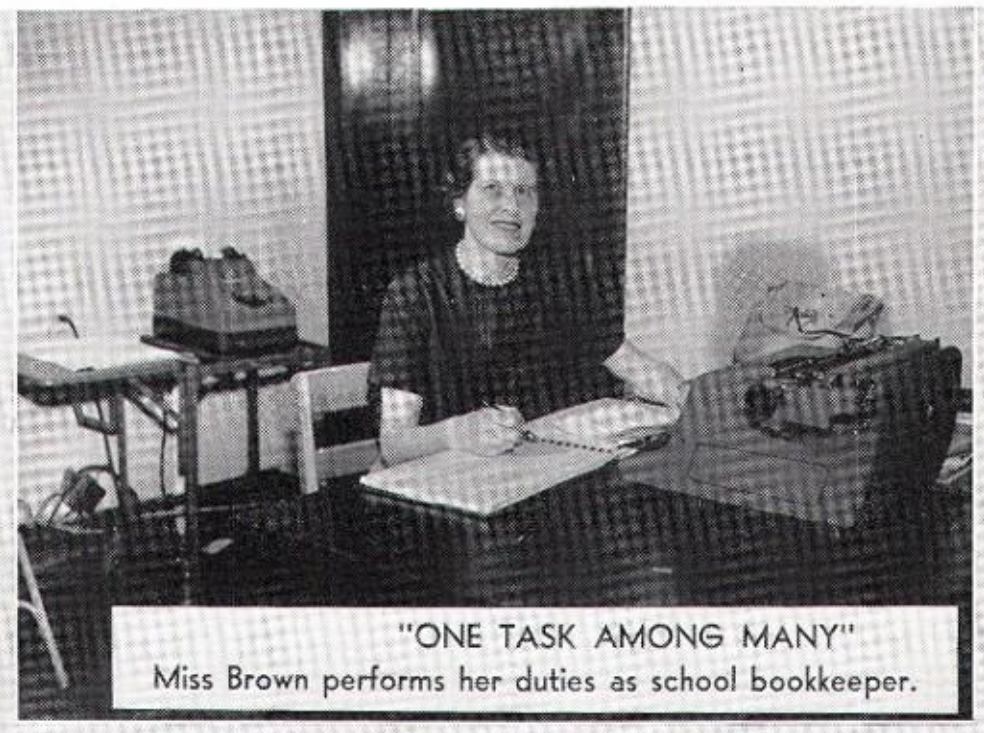
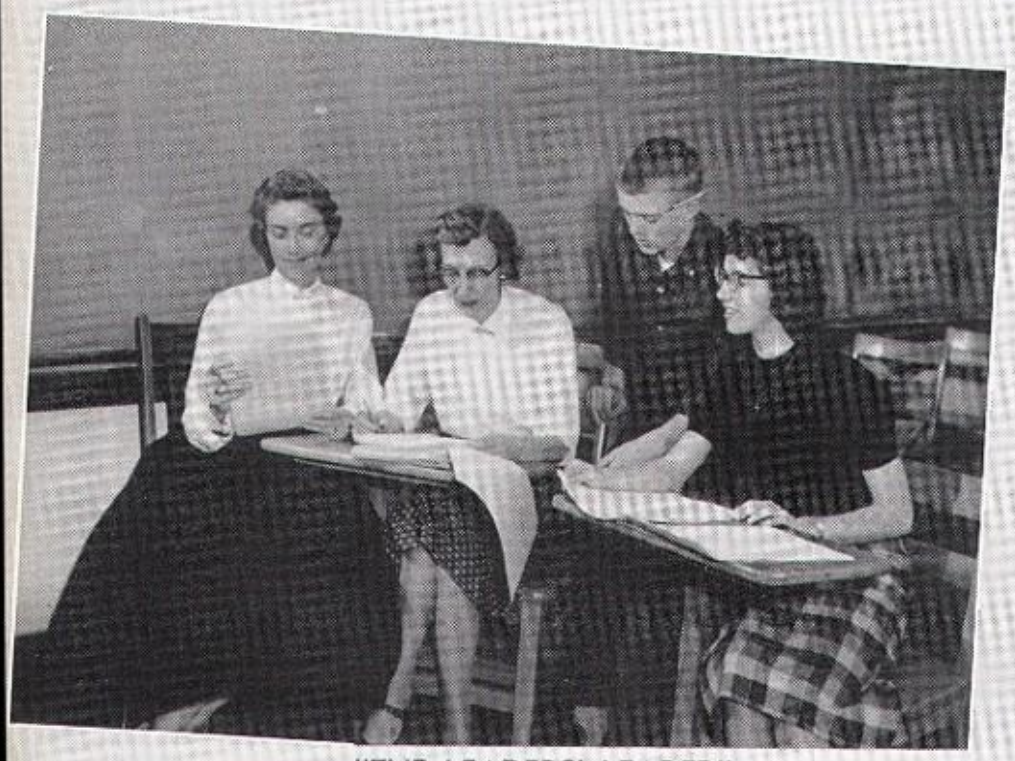
FACULTY INFORMALS



"ONE TASK AMONG MANY"
Miss Brown performs her duties as school bookkeeper.

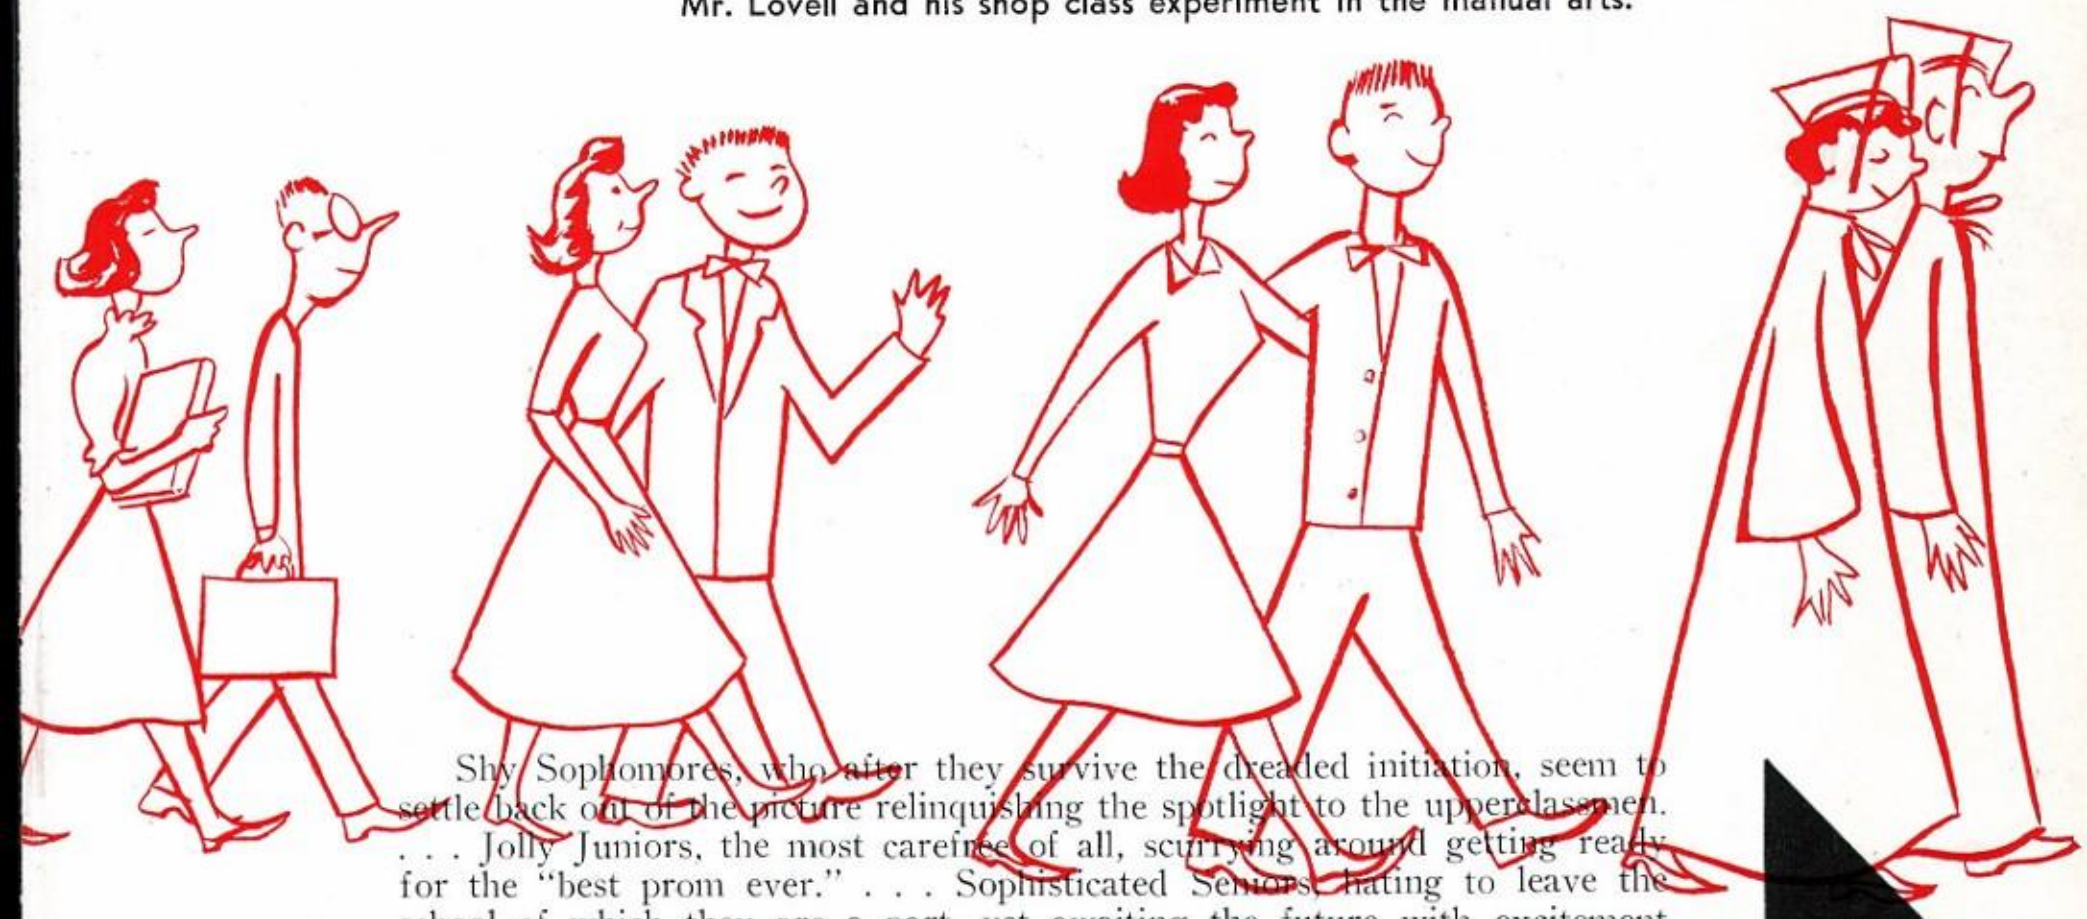


"THE LEADERS' LEADER"
Miss Walker, Student Council sponsor, directs officers Gayle Fulghum, Buster Gore, and Michal Maunsell in revising the organization's constitution.

"RELAXING AT THE KILN"
Miss Rice, Mrs. Wright, and Mrs. Harter indulge in their favorite hobby.

CLASSES

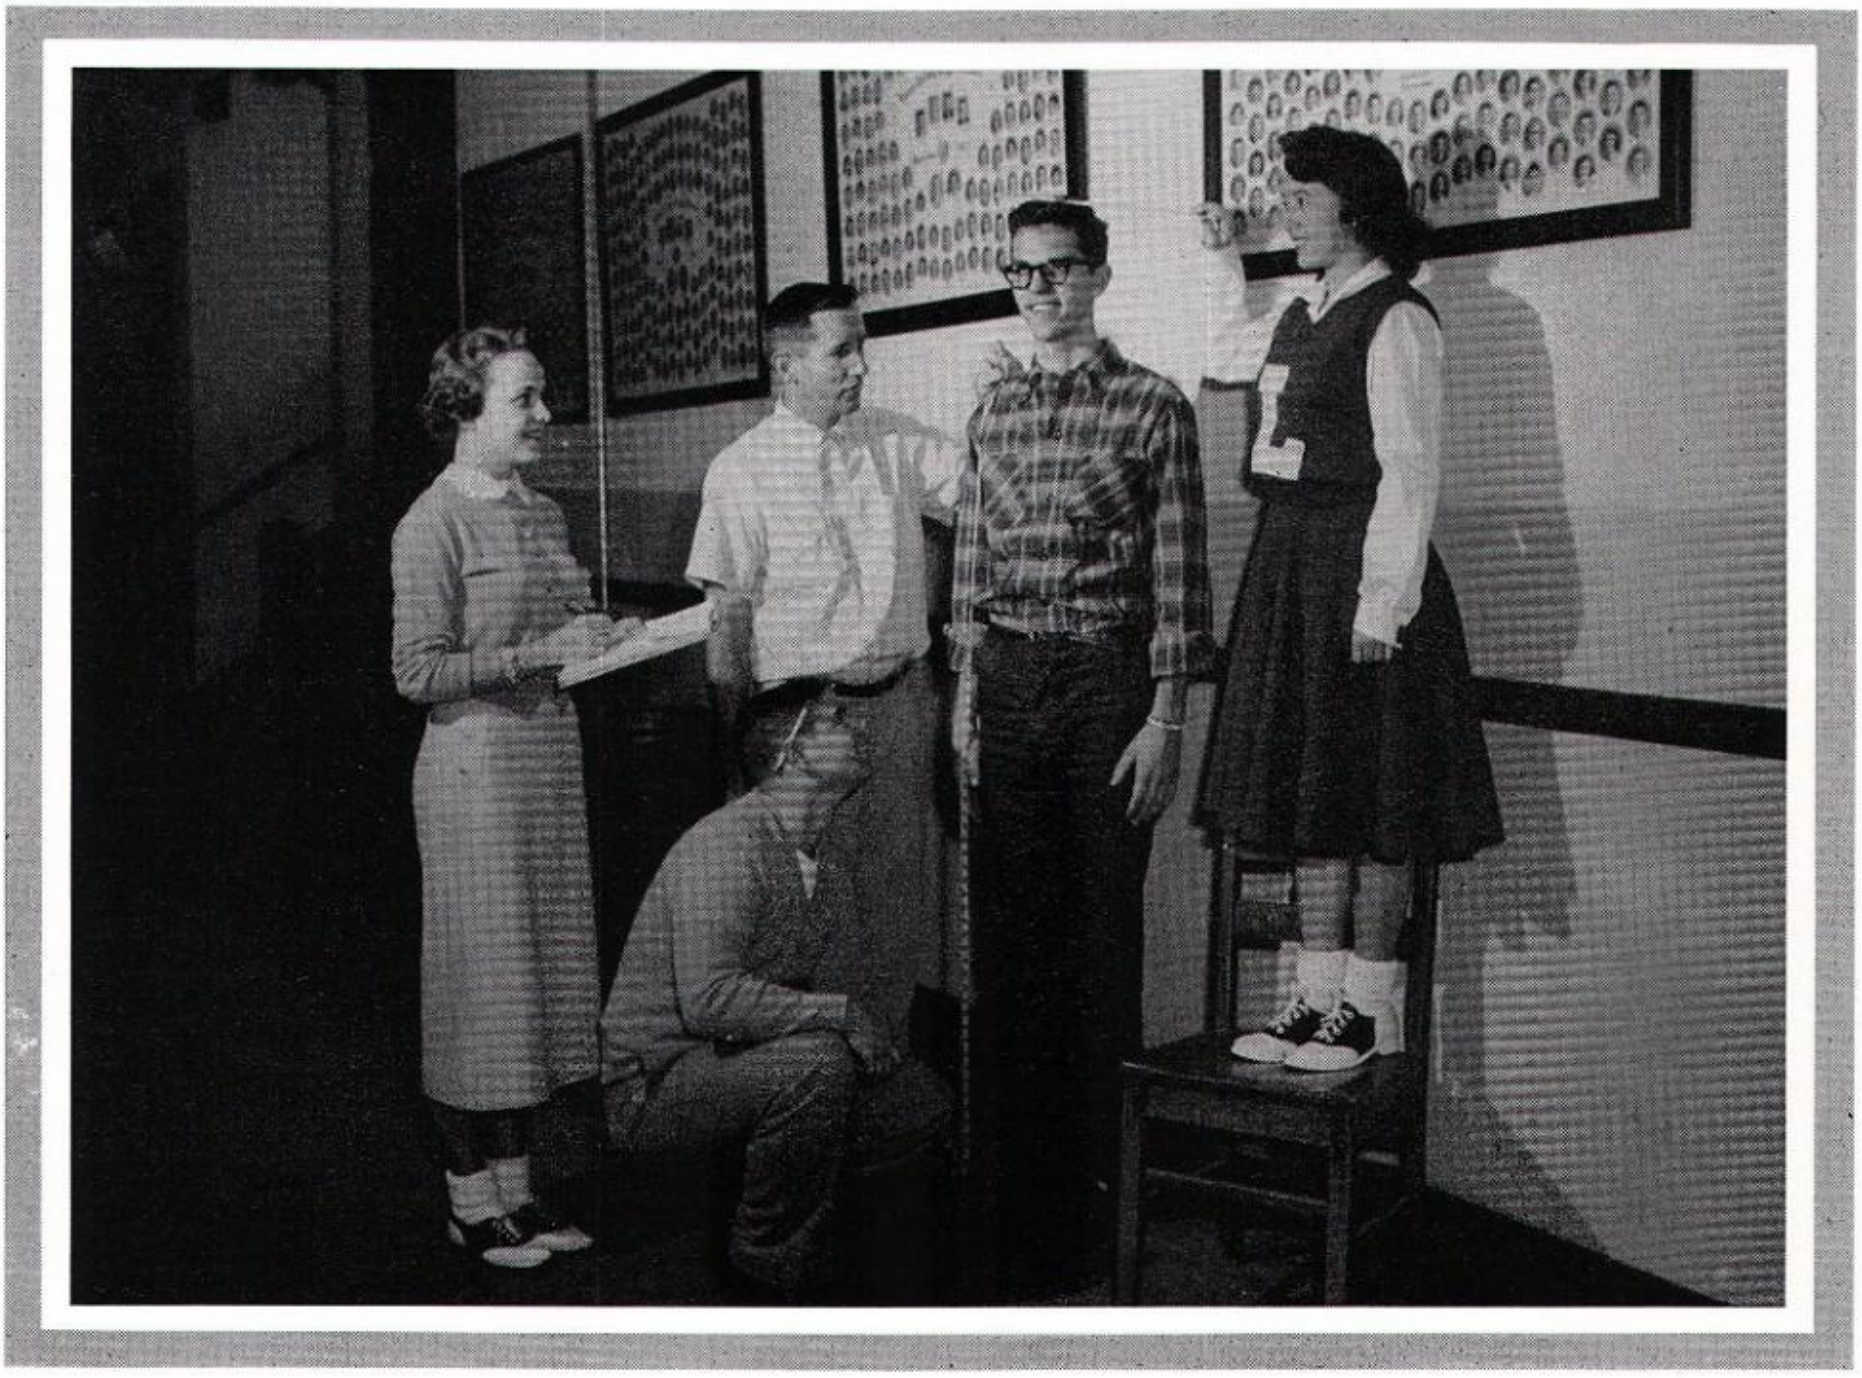
Mr. Lovell and his shop class experiment in the manual arts.



Shy Sophomores, who after they survive the dreaded initiation, seem to settle back out of the picture relinquishing the spotlight to the upperclassmen. . . . Jolly Juniors, the most carefree of all, scurrying around getting ready for the "best prom ever." . . . Sophisticated Seniors, hating to leave the school of which they are a part, yet awaiting the future with excitement and anticipation. . . . All of these make up The Classes.

THE VERY REAL ADVANTAGES OF THE TECHNIQUES OF "LEARNING BY DOING"

SENIOR



Senior officers prepare for the big night.

The Seniors—the self-appointed leaders in school life, who have proudly worn their title for nine wonderful months, ever working to achieve their goal—graduation.

This Senior Class has had a colorful history. During its four years at Litton, it has claimed two separate buildings and three different sponsors.

These Seniors began their high school days in the newly built Junior High Building as the highest class, and the title "green" was postponed a year and given to them as Sophomores upon entering the Senior High.

It was then that the first change of sponsors came. Mrs. Norman Varner, who had been class sponsor in the new building, handed the class over to Mr. Adam DeBerry, who served as its sponsor for the next two years. Just before the beginning of its biggest year, the class of '58 again changed hands and has spent its Senior year under the sponsorship of Mr. Ronald Webb.

The office of Class president has been adequately filled by Larry Cole for all four years. Under his able leadership the Class of '58 has found success, in spite of many obstacles.

Here they are, smiling, self-confident, ready to go out and win the world—the Seniors.

CLASS POEM

We are Young Moderns, growing up and soon to be transformed

To young adults, prepared to go and "take the world by storm."

But we'll remember always, dear Isaac Litton High,

With smiles and tears, the past four years that quickly have flown by.

The frosty football evenings, the warm baseball afternoons

And nights of cheering in the gym—they've ended all too soon.

We'll ne'er forget the parties and the fun we've had at all,

The lively post-game sock hop and the dreamy formal ball.

But with the play we can't o'erlook the all-important toil—

The days of study and the nights of "burning midnight oil."

Together we have worked and played and shared our hopes and fears;

We've fostered lasting friendships to be cherished through the years.

We gladly pledge our loyalty, and ever will we thrill

When voices raise to sing thy praise—our Alma Mater still.

For very soon, yes all too soon, from thee we must depart—

A diploma in each hand and precious mem'ries in each heart.

And so to thee our future lives we fondly dedicate,

That Litton will be proud of us—her Class of '58.

—Peggy Carroll

JUNIOR

Officers of the Junior Class make an important decision.

The Juniors—a little wiser and more experienced than the Sophomores, yet still looking up to the elder Seniors. The middle class . . . Young Moderns in the second step of their high school growth.

These are the really hard workers in the school. They do everything from selling programs on cold football nights to serenading their fellow classmates on Valentine's Day—anything to make money for the all important prom. They spend hours and hours hanging crepe paper, climbing among the gym rafters trying to put up a "ceiling," cutting, hammering, converting, transforming . . . until that wonderful glittering prom night when at last they receive their well-deserved glory.

SOPHOMORE

Miss Rice welcomes Sophomore Class officers into the Senior High.

The Sophomores—who have struggled through their first year as Senior High students.

The center of attention during Initiation Week, they patiently accepted the abuses and teasing of the upperclassmen. These are the "good sports," who willingly answered that they were the "lowest form of human existence" and wore silly clothes for five humiliating days. Then these same Sophs settled down to conquer the mysteries of biology, the problems of world history, the complicated equations of Algebra II and the long, hard translations of second year Latin.

JUNIOR HIGH

Student Council officers Harriet Newsom and Steve Wright help to publicize a popular event.

Isaac Litton Junior High is only four years old. This modern new building, upon which we look with such pride, houses seventh, eighth, and ninth grades and claims over half the total enrollment of the school.

The Junior High has become a very important part of Litton. It is here that the students are prepared for the responsibilities of more advanced studies. The Junior High has its own Student Council, its own page in the school newspaper, and its own athletic teams.

Here is where study habits are begun, personalities are shaped, and ambitions are born.

PRINCIPAL AND STAFF

Mr. Talmadge Miller serves as principal in the Junior High. Under his able guidance the students receive their first taste of high school life.

Mr. Miller possesses all the qualities of a good leader, and the Junior High is quite fortunate to have such a fine man as its principal.

Helping him in the office is the school secretary, Mrs. Helen West, and her student assistants.

Best wishes to a fine girl

FRESHMAN CLASS

These are the Freshmen, the highest grade in the Junior High. They have reached the halfway mark and are ready to enter the Senior building and the door to higher learning.

Then junior high days have been happy and fun-filled, but they are looking forward eagerly to the even more wonderful three years ahead.

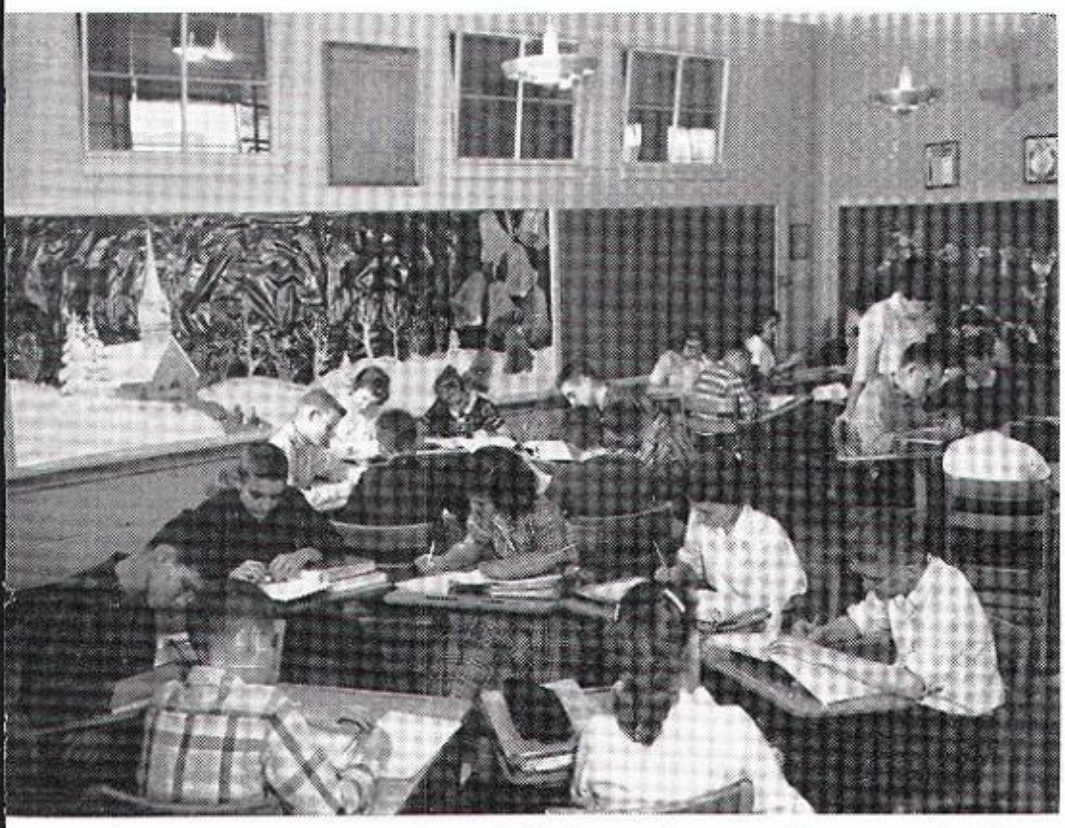
EIGHTH GRADE

The eighth grade, though it is actually the middle year in junior high, is a sort of climax. This is the last year of sitting through long classes, one after another, in the same classroom.

Soon these eighth graders will experience the thrill of changing classes and teachers with each bell. At last they will take on the responsibilities and be granted the privileges of the ninth grade.



Mrs. Thompson instructs her eighth graders on the complexities of the English language.

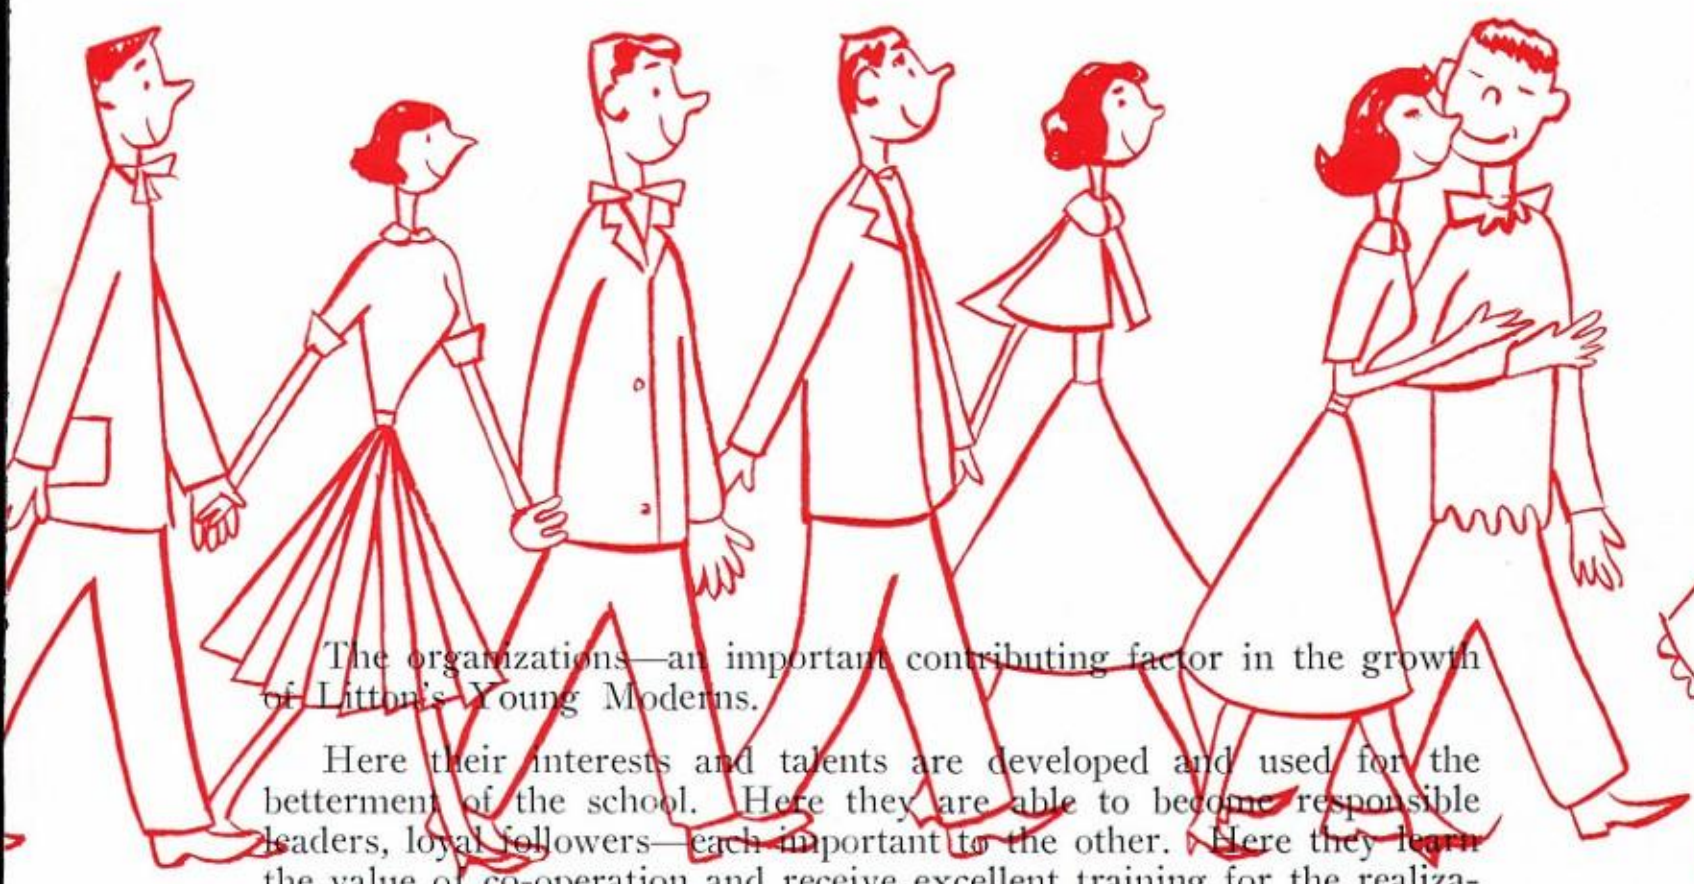
ORGANIZATIONS

Junior readers help by folding the BLAST for distribution.



The organizations—an important contributing factor in the growth of Litton's Young Moderns.

Here their interests and talents are developed and used for the betterment of the school. Here they are able to become responsible leaders, loyal followers—each important to the other. Here they learn the value of co-operation and receive excellent training for the realization of their future ambitions.

RELAXATION IN DOING PLEASURABLE THINGS IN CLOSE ASSOCIATION WITH EACH OTHER

LITTONIAN STAFF FOR 1958

Getting out an annual is certainly no easy task, but thanks to the combined efforts of Kay King and Patsy McBroom, co-editors, along with Mrs. Ruth Tomlin and the LITTONIAN staff, the 1958 record of Litton's Young Moderns has been compiled.

The staff, chosen by the editors and sponsor, is composed of hard-working Juniors and Seniors. They have spent long busy hours working hard to make sure that all the pictures were taken, the copy written, the deadlines met. As a result of their diligent labor, this year's yearbook features a completely new look, consisting of padded cover, red and white color scheme, and a freshly novel cover design that provides a delightful escape from tradition.

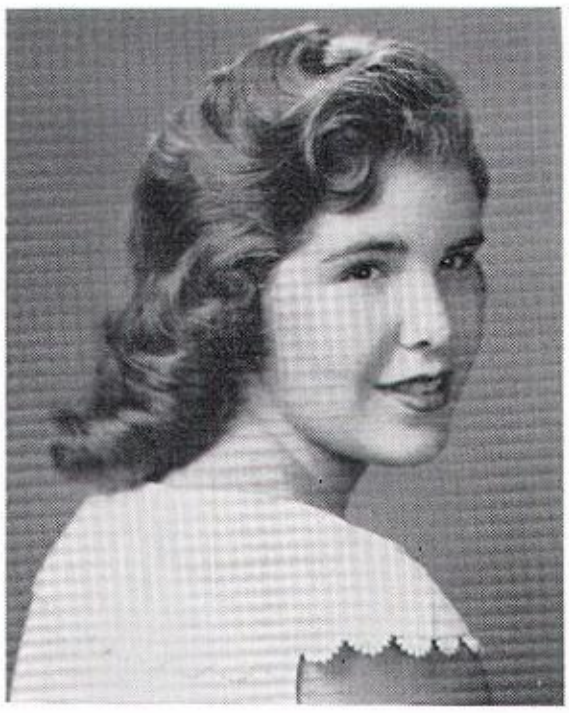
BLAST STAFF



PEGGY CARROLL
Editor-in-Chief

The clicking of busy typewriters . . . assignments on the bulletin board . . . rushing to meet a deadline . . . cutting out galleys . . . writing headlines . . . proofreading—all are part of publishing a student newspaper; all are familiar to the members of the *Blast* staff, who work diligently during fifth period each day in order to present the news to the students of Isaac Litton.

This year the *Blast,* published bi-weekly during the school year, has been better than ever. The use of color is growing in popularity among the professional newspapers, and the *Blast*—ever trying to keep up with the modern trends—this year boasted a color nameplate plus one full-color front page picture, something entirely new in high school publications.

NATIONAL HONOR SOCIETY

This year marks the twenty-fifth anniversary of the Delta Tau Phi chapter of the National Honor Society.

"I would rather have honor than honors" is the motto of this group, sponsored by Miss Mary Walker. Membership is limited to Juniors and Seniors. Requirements are as follows: conspicuous achievement in the qualities of scholarship, leadership, character, and service; scholastic average of A for the three semesters preceeding application; the approval of the faculty; the acquirement of twenty quality credits gained for participation in extra-curricular activities.

Each year the Honor Society publishes the Student Handbook, an informative little booklet designed to answer the questions of new students. These are distributed among the entering sophomores at the beginning of the year.

This spring a Homecoming Banquet was given to celebrate the anniversary of the organization. All of the previous Honor Society members were invited to attend.

CIVITAN CLUB

The Civitan and Civinette Clubs were established at Litton by the Inglewood Civitan Club. These three groups work together in the interest of the community.

Each year new Junior members are elected into the two clubs by the present Senior members. They are chosen on the basis of their achievements and contributions to the school.

The Civitans and Civinettes sponsor an annual Litton Talent Contest. The winner of this contest goes to a larger contest in which talent from each Nashville high school participates.

Mr. Robert Maxwell sponsors the two groups.

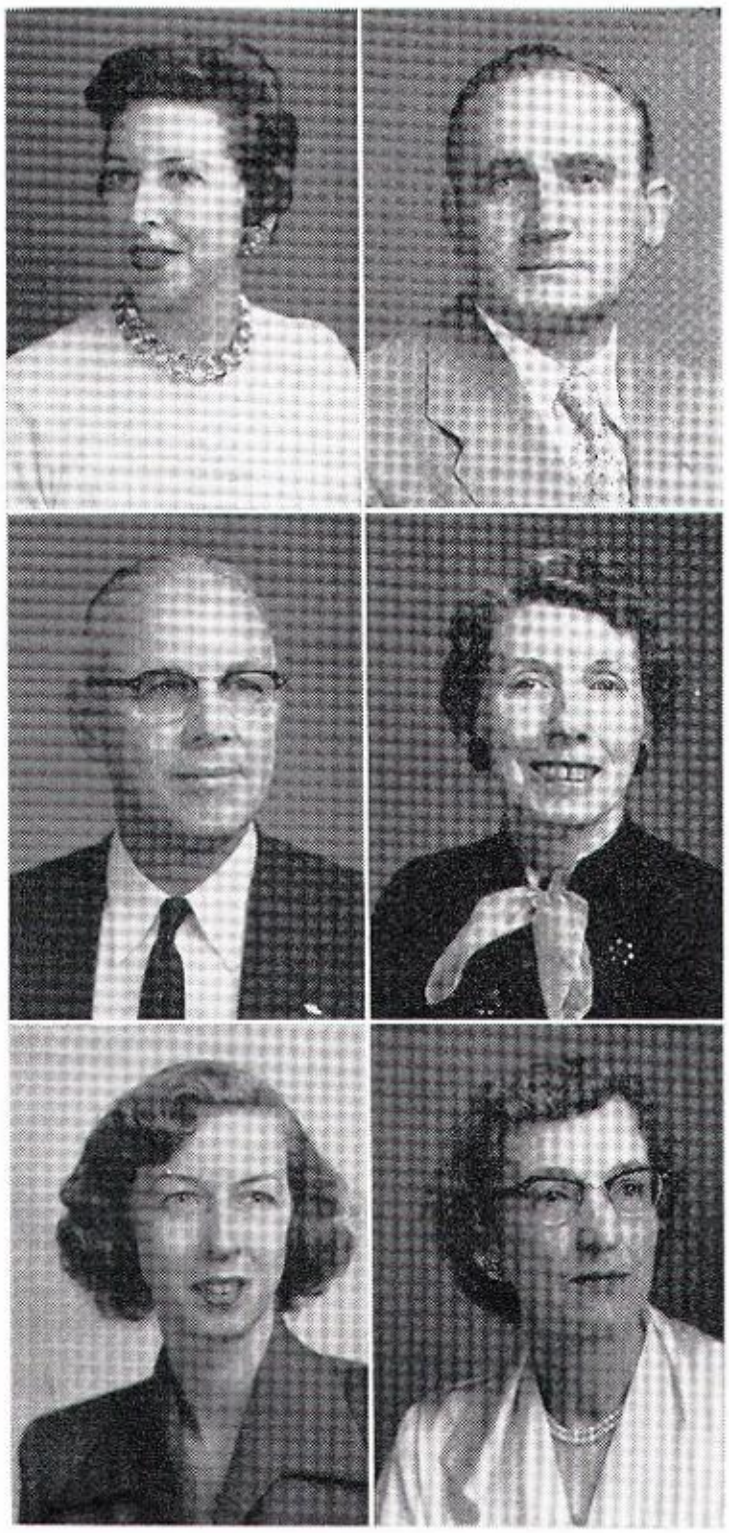
STUDENT COUNCIL

Sponsors

Column 1: Mrs. Baber, Mr. Miller, Miss Senter.
Column 2: Mr. Foster, Miss Moss, Miss Walker.



Perhaps the most important and influential organization in the school is the Student Council. This group is made up of representatives chosen from each homeroom. The officers are elected each spring by the entire student body.

The purposes of the organization (as set forth in the newly revised Constitution) are (a) to provide for the participation of students in the program of Isaac Litton High School; (b) to encourage students to grow in self-direction; (c) to charter clubs; (d) to foster friendliness, loyalty, and school spirit; (e) to develop leadership; and (f) to promote the general welfare of the school.

During the year, the Student Council sponsors various dances, assembly programs, and worthwhile undertakings. The main project of this year's Student Council has been the task of beautifying the campus and buildings.

Mr. Sammy Swor
Director

During football game half-times the crowd eagerly awaits the sound of the snappy drum cadence, the burst of trumpets, and the appearance of the red and blue clad "Marching One-Hundred."

However, entertaining at football games is only one of the band's many activities. It is also on hand to liven up pep meetings, play for assemblies, and display the Litton banner at many parades throughout the year.

One of the highlights of the year is the annual concert held in April. All who attend enjoy a varied program of semi-classics, ballads, jazzy, and popular music. The proceeds are used to purchase new uniforms and instruments.

The band is under the very capable direction of Mr. Sammy Swor, who is recognized as one of the South's finest musicians. Under his fine leadership, the "Marching One-Hundred" has become one of the largest and most famous high-school bands in the state.

MAJORETTES

Helping to enliven the pep meetings and half-time performances are the high-stepping majorettes. These lovely girls, through many practice sessions, have become expert twirlers, and awe their audiences with the perfect unison of their flashing batons. They provide a colorful added attraction to the famed "Marching One Hundred."

Leading the band is the colorguard. It is composed of eight girls who, besides displaying the colors, present a snappy routine of gun-slapping and twirling that has been perfected through hours of practice. The colorguards combine military precision and intricate gun-twirling to attract the praise of all who watch them perform. In recent years, they have become a very popular addition to the football season pep meetings.

JUNIOR RED CROSS

This organization is composed of one representative from each homeroom. Working in co-operation with the American Red Cross, its purpose is "the development of world citizenship."

Under the sponsorship of Mrs. Clay Hudson and Mrs. Irene Zurla, this group makes albums to send overseas, provides entertainment for the Veteran's Hospital and Children's Home; and has the responsibility of presenting a recreation program once a month at the Davidson County Hospital.

GIRLS' CHORUS

Litton is very proud of its fine chorus which, under the direction of Mrs. Betty Klotz Harter, has become one of the most outstanding organizations in the school.

This group is composed of talented students who are interested in singing. Several of the members attended a solo and ensemble festival at Murfreesboro as well as the All-State Chorus in Memphis.

During the year the Chorus gives various musical assembly programs which are enjoyed by all. The purpose of this organization is to stimulate interest in vocal training.

FORENSIC CLUB

"To promote public speaking and the enjoyment that stems from it." This is the motto of the Forensic Club, an organization made up of ambitious young orators.

These represent Litton at all county forensic meets and have won many high honors for themselves and for their school. They host a meet here once a year attended by the other county schools.

The Forensic Club also gives various assemblies and is in charge of Monday morning devotionals over the public address system.

This year the club sponsored the sale of Litton pennants to make money to buy readings and material.

Miss Scott and Mr. Finch sponsor the group.

A high school girl is something special. She has her own distinctive problems and needs. It is for her that the Y-Teen Club was formed.

She needs a place to express her views on many subjects; Y-Teen Club meetings afford this opportunity. She needs a chance to learn and practice the social graces; the annual Y-Teen Valentine Dance offers this as she and her date whirl to dreamy music in the elaborately decorated gym. She needs a chance to grow in Christian fellowship with others her age; this opportunity comes all through the year at club meetings, socials, working together on club projects.

The Y-Teen club adequately fills many of the high school girl's needs. She is able to fully develop her personality as she upholds the Y-Teen motto "To live and grow in the grace of God."

Every girl has one secret ambition—to be popular with her fellow classmates. The S.P.C. helps each of its members to achieve the social goal she has set for herself by providing an opportunity to enjoy the companionship of other girls her own age and by sponsoring various gala social events during the school year.

Through discussion groups and panels, the girls are able to learn just what their friends and dates like and dislike about them. Then they try to improve themselves.

Each year during the Christmas holidays, the S.P.C. sponsors a holiday dance to which all members and their dates are invited. This affair is one of the social highlights of the year, and the committees work hard to make it a success.

In addition the S.P.C. sponsors various worthwhile projects which give each girl a chance to make a contribution to her school and community.

LETTERMEN'S CLUB

The Lettermen's Club is composed of athletes who have earned a letter in one of the four major sports—football, basketball, baseball, and track. The purpose of this club is to promote better school spirit and sportsmanship.

During the year, these boys could frequently be seen cleaning the trophy case and polishing the trophies, many of which they have helped to win. The care of the trophy case is just one of the projects the Lettermen's Club has undertaken. A hayride is given each year in honor of the new members. Coach Bill Harris sponsors the group.

MODERN MUSIC MASTERS

The Modern Music Masters Club is a national non-profit educational society with headquarters in Park Ridge, Illinois. The Isaac Litton chapter, just one year old, has fifty members, selected from the Sophomore, Junior, and Senior vocal classes, who have maintained a general average of C with a B average in music.

The chief aims of the Society are to foster greater interest in choral performance, and to provide wider opportunities for personal musical expression and service to the school, church, and community.

This year's officers are Judy Wright, president; George Hooten, vice-president; Sarah Dodson, secretary; Gooch Foster, treasurer; George Stamps, historian.

MUSIC CLUB

Someone once said, "Music comes from the heart." All things joyous and beautiful can be expressed through music.

The members of the Music Club know this . . . they realize that a song in your heart makes a smile on your face . . . in a world of care, they find peace in music.

PEP CLUB

To encourage good school spirit and to promote better sportsmanship among the members of the student body—this is the purpose of the Pep Club. Sponsored by Miss Bateman and the cheerleaders, this club has furnished buses to the football and basketball games at various times during the year, as well as shakers and confetti for the cheering section.

JUNIOR CLASSICAL LEAGUE

To encourage among the young people an interest in and appreciation of the civilization, language, literature, and art of ancient Greece and Rome, and to give them some understanding of the debt of our own culture to that of classical antiquity is the purpose of the Junior Classical League now in its initial year as a club. The club is composed of all students who have completed or are in second year Latin. During the year they visited the Parthenon. Truly they try to develop an interest in the finer things in life.

SENIOR GIRL SCOUTS

Molding the character of the mothers of tomorrow is the basic purpose of this organization. The Girl Scouts have always upheld that which is good, wholesome and decent.

Under the leadership of Mrs. McGlothlin and Mrs. McGinnis, this group of young women from the ages of fourteen to eighteen are continuing to "do their duty to God and country."

THE HOT POTS

This group seeks to abolish the popular misconception that teenage drivers are unsafe drivers, by setting a good example through sportsmanlike driving themselves and by a campaign of public promotion for better driving habits.

The Hot Pots Club is now in its initial year as a club. Chief Raymond Cannon, Jr., of the Inglewood-Madison Police Department, is sponsoring the club in its organized effort to promote careful driving among teenagers.

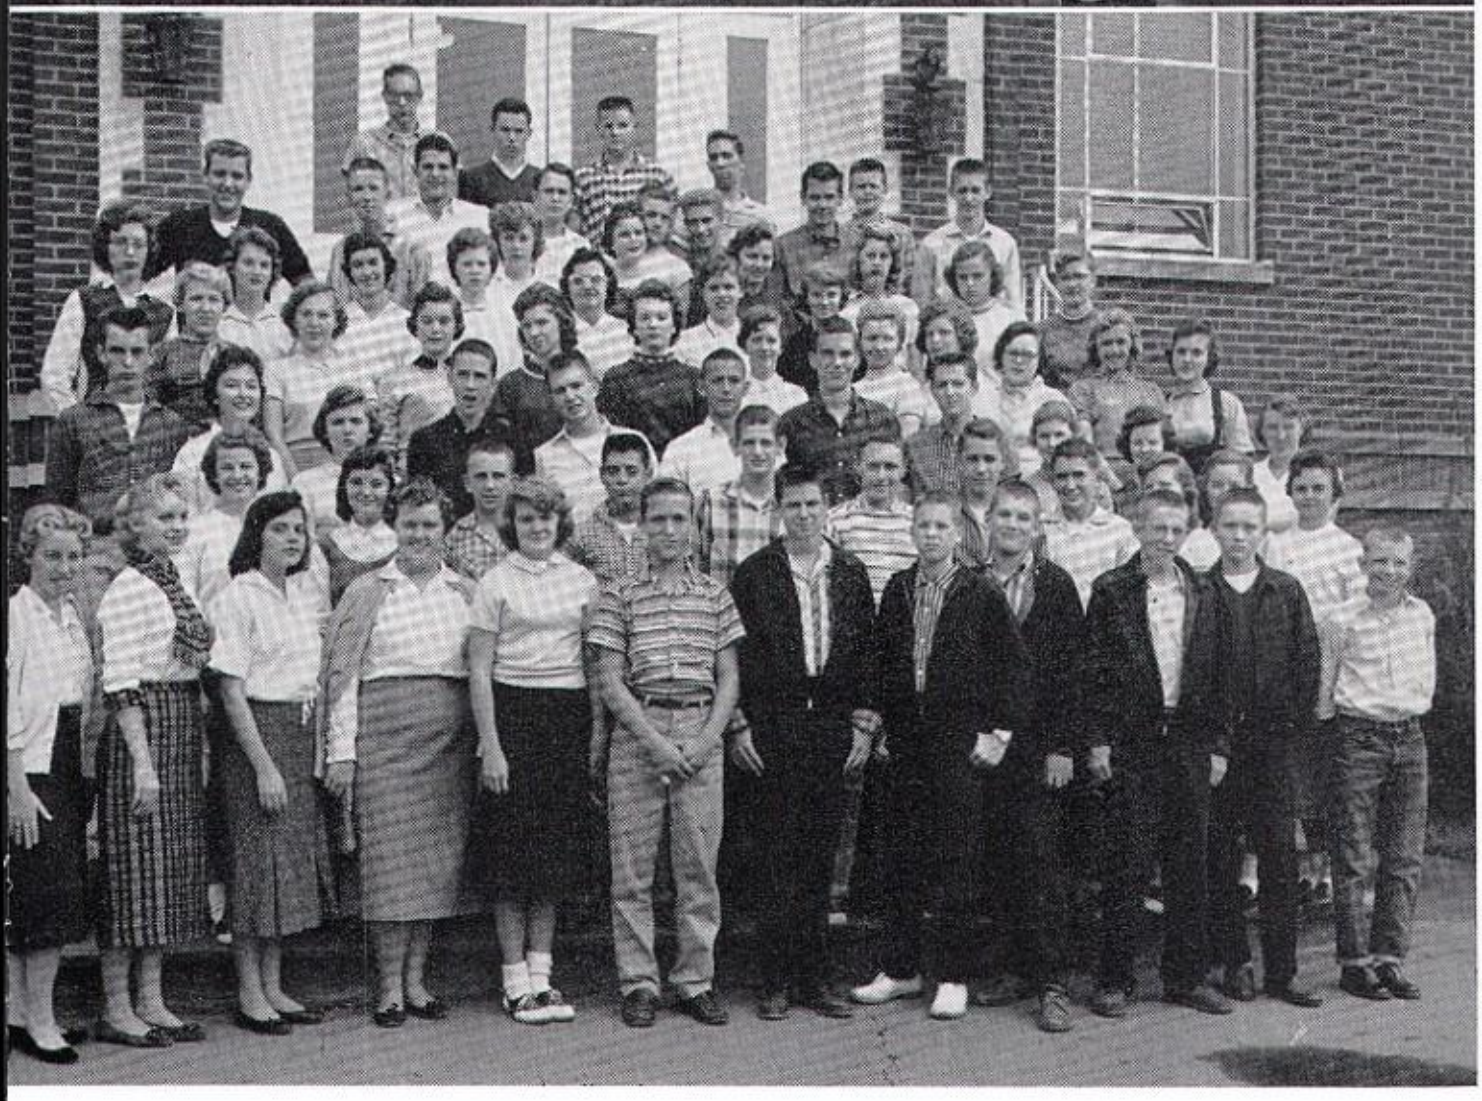
LIBRARY CLUB

The library staff is composed of students who assist Mrs. Baber regularly in the library. Individuals are encouraged to join the staff who have a definite interest in library work.

Through this work, these student librarians broaden their knowledge of books and authors, and thus become better equipped as students.



BOWLING CLUB

The unparelleled thrill of watching your partner make a strike . . . the welcome clatter of pins when your own bowling ball reaches the end of the alley . . . these things are enjoyed by energetic members of the Bowling Club who journey to the Melrose Bowling Lanes each Monday afternoon.

This club, organized this year at Litton by Youth Incorporated, provides the opportunity for bowling enthusiasts to have regular competition with others interested in the sport.

Preserving the ideals of the chivalrous knights of old, this club teaches boys to be gentlemen. These young men, under the sponsorship of Mrs. Ralph Gates, strive to set a good example for their school and their community.

Every boy should want to be a gentleman. Not every boy can be remembered for his outstanding scholastic record, nor as a well-known athlete, but every boy *can* be remembered for his kind words and good manners. The Southern Gentlemen have proved this.

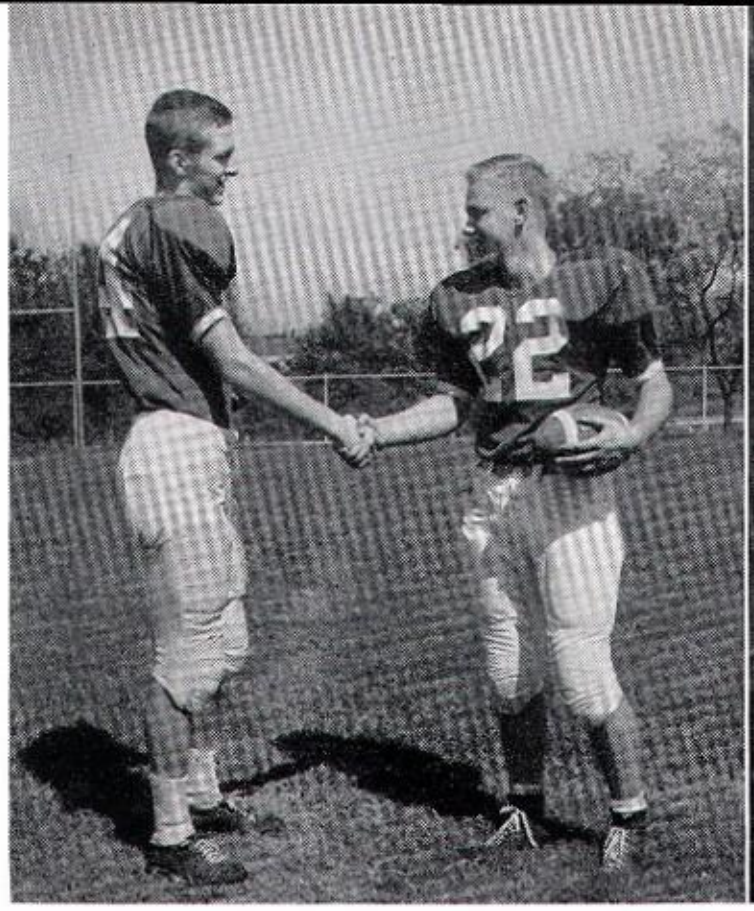
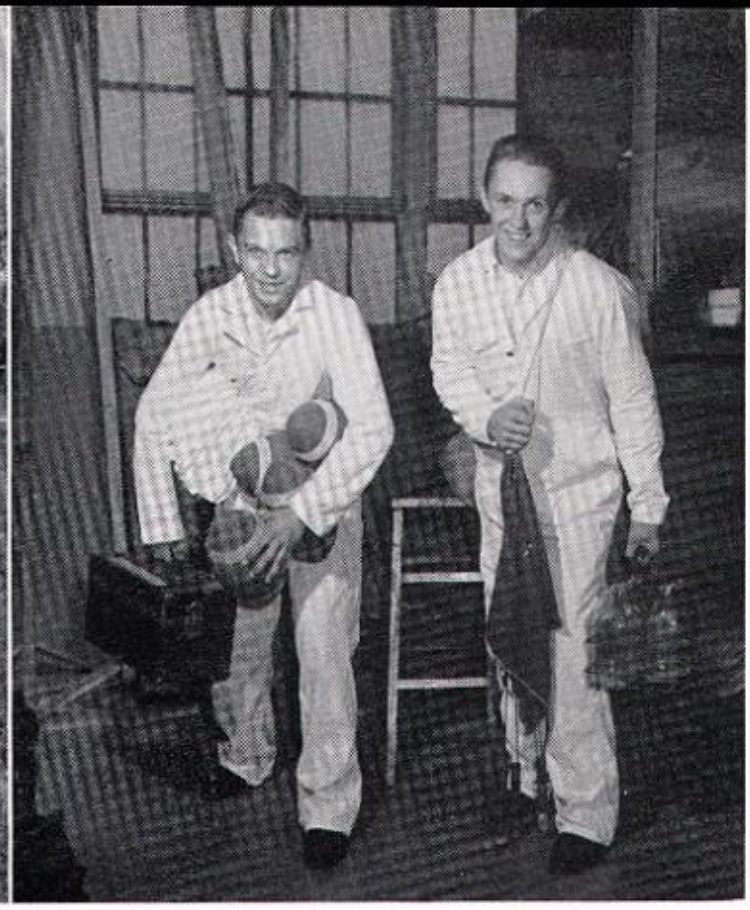
1957 FOOTBALL AT LITTON

The Lions' coaching staff consists of Bill Thompson, Hershall Moore, Head Coach Bill Harris, Ronald Webb, and John Jolliffe.



Co-Captains of the 1957 Lions were Jackie Stroud and James Young.



Managers of the 1957 Lions were Roger Gower and Bill Jolly.

After losing fifteen seniors from the previous year's team, the Litton team was not expected to have a squad equivalent to some of those in the past. However, the mighty Lions of '57 maintained their proverbial title as "King of Beasts" by winning six out of ten jungle matches.

Led by ten seniors, the Lion squad whipped such rivals as the Bulldogs of DuPont, the Warriors of Memphis Central, Panthers of Ryan, and Eagles of East, the Trojans of Goodlettsville, and the Tigers of Cohn; but lost to such enemies as Springfield, Hillsboro, M.B.A., and Oak Ridge.

One of the best coaching staffs in the state directed the Lions this year. Head coach Bill Harris completed his fourth year; line coach Ronald Webb and backfield coach Hershall Moore completed their seventh year; B-team coach John Jolliffe and freshman coach Bill Thompson ended their second year.

Senior members of the '57 Red and Blue crew included tackles James Young, Kenneth Gregory, and L. A. Sturdivant; end Jackie Stroud; guards Frank Friedmann, Boyd White, and Glen Nabors; and backs Johnny Tomlinson, and Johnny Spain. Back Bill Jenkins was unable to finish the season because of illness.

The game against Springfield has been considered by many as the best game of the year. Although the Lions lost by one point, they showed their best ability and teamwork in this tilt. They were defeated, but not outfought. However, most of the boys enjoyed the Memphis Central

game the most—this was a great victory for the Lions.

A loss to Hillsboro was the worst N.I.L. regular-season defeat Litton had suffered since 1946. The Oak Ridge game was also murder, as weather conditions were too unfavorable for a game.

A terrible invasion of flu caused the postponement of the Goodlettsville and Oak Ridge games until the latter part of the season.

Johnny Tomlinson, halfback, was the flame of the season. He was a welcomed teammate, who returned to Litton after a year in Alabama. Johnny's brilliant running brought him many honors. The greatest of these were receiving All-American honorable mention, and the N.I.L.'s Most Valuable Player Award. Johnny also made All-State, All-City, and All-Class AAA teams.

James Young made the All-City third team and All-Class AAA second team. At the annual football banquet for the Litton team, James and Johnny received trophies for being the most outstanding linesman and back respectively of the '57 season.

Jerry Cantrell made the All-Class AAA third team. Honorable mention went to Kenneth Gregory, Jackie Stroud, Glen Nabors, Johnny Spain, Bill Muse, Butch Burnette, and Steve Shaw.

Defensive standouts for this season were James Young, Jackie Stroud, Glen Nabors, Jerry Parrish, Jerry Cantrell and Gerald Harper.

Offensive standouts were Johnny Tomlinson, Butch Burnette, Steve Shaw, Johnny Spain, and Bill Muse.

Reserve stars were Jack Ray, Lewis Owen, Ronnie Hindman, Buster Hastings, and Wayne LaCroix.

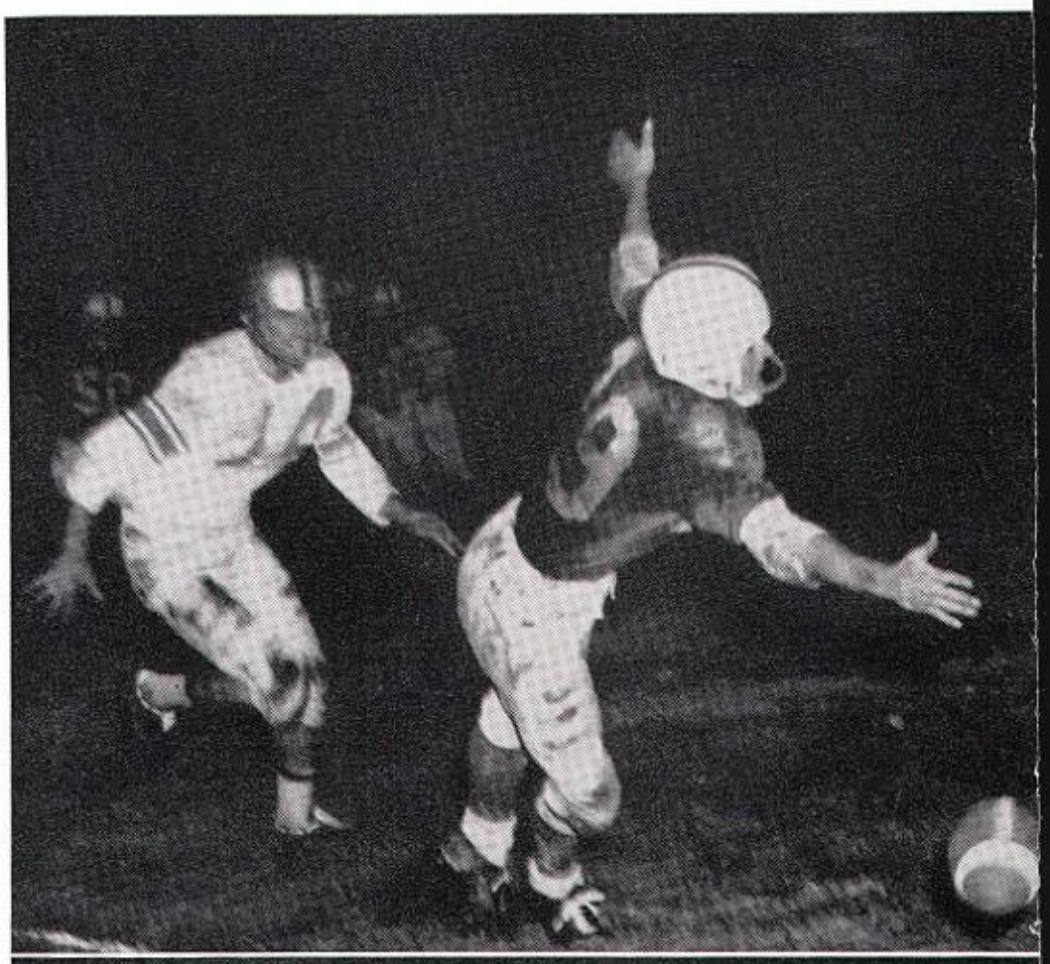
Litton 19; DuPont 7

Opening the 1957 season, the Lions overcame a first quarter scare from the Bulldogs and roared through the second half for four touchdowns to smash DuPont's hopes. Both squads made many mistakes, which usually accompany early season games. The Bulldogs recovered a fumble on Litton's 11-yard line in the second quarter, and scored their first and only TD. Burnette made the first Lion tally as he climaxed a 31-yard drive. Shaw ran a beautiful 95-yard TD, but it was no good because of a clipping penalty. Tomlinson led the Lion ball carriers with 131 yards.



Brilliant back, Johnny Tomlinson makes a graceful but vain effort to complete a pass.

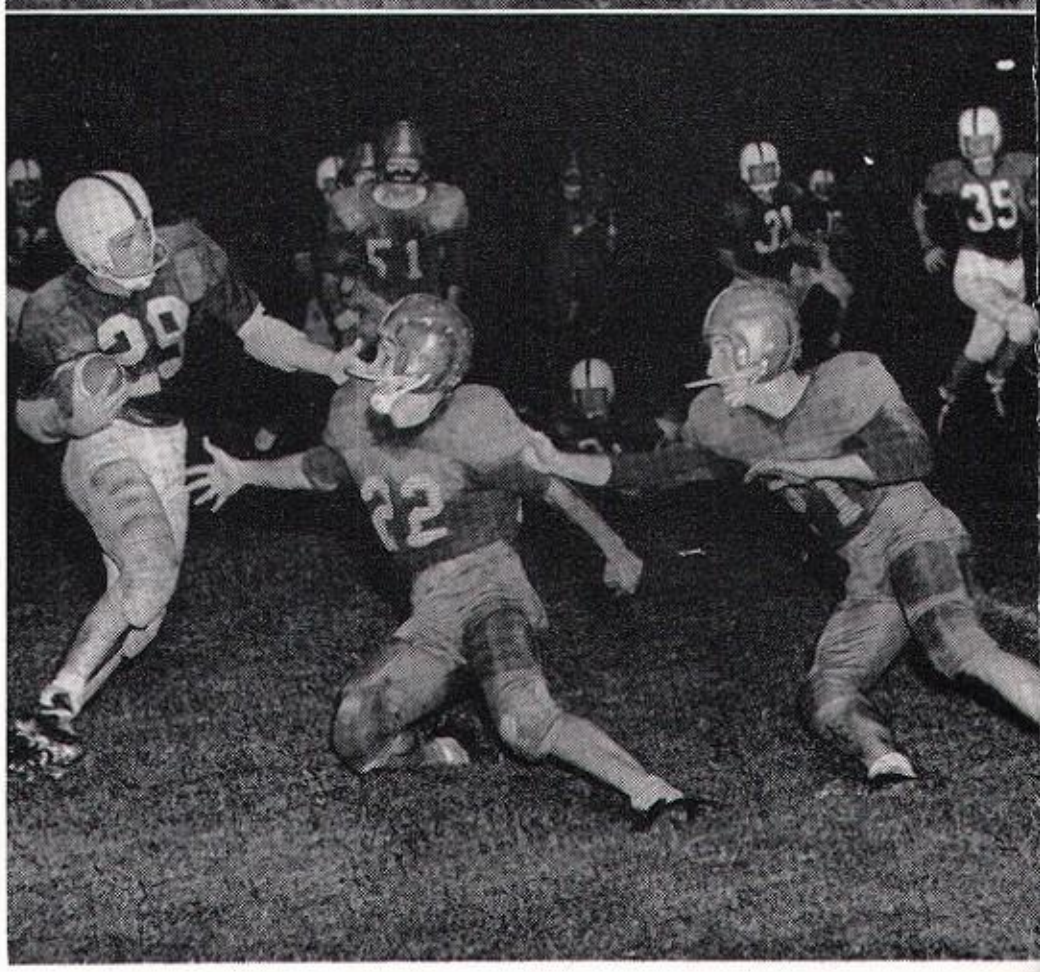
Litton 27; Cohn 6

Victory over the Cohn Tigers was spirited by the running of halfback Johnny Tomlinson, as he picked up 160 yards (more than the entire Cohn team had). Bill Muse gained touchdown honors for the night, when he ran off 68 yards to pay dirt. Johnny Spain and Steve Shaw added the other tallies. Glen Nabors and James Young were outstanding linesmen. The Tigers' lone touchdown came late in the fourth period. Litton gained 417 yards rushing and 15 first downs to Cohn's 148 yards rushing and five first downs.

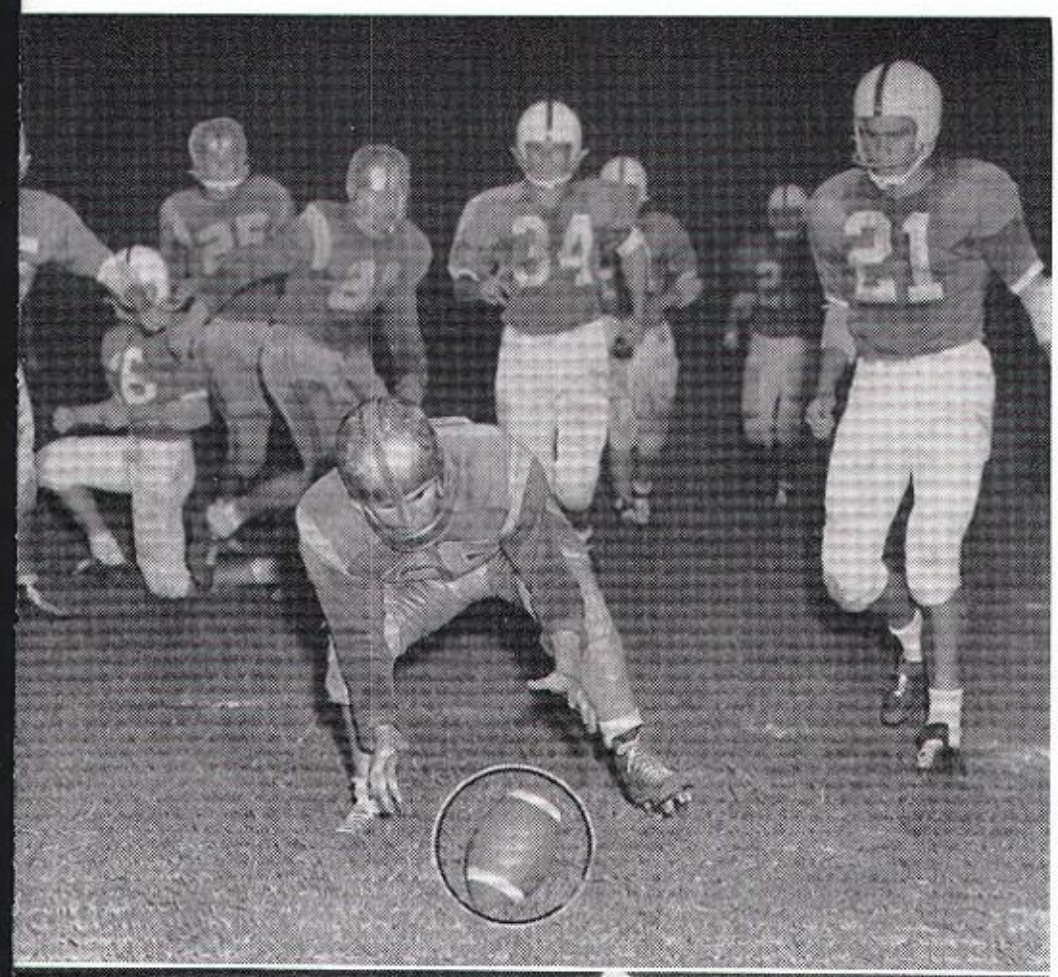
Gerald Harper stands posed to catch a pass, which is climaxed in a touchdown.

Litton 27; Memphis Central 20

The Lions entered the Memphis Central tilt in jovial spirits after winning the two previous games, thus giving them determination to chalk up a third straight victory. Terrific running by Tomlinson was one of the victory producing factors. He gained 183 yards in 20 carries, and scored three times. The *Banner*, and the Optimists Club "Player of the Week" awards went to Johnny after this outstanding performance. Steve Shaw, another performing Lion, was easily noted the most vicious hard blocking back of the AAA class. All defense players were good at halting the Warrior attack.



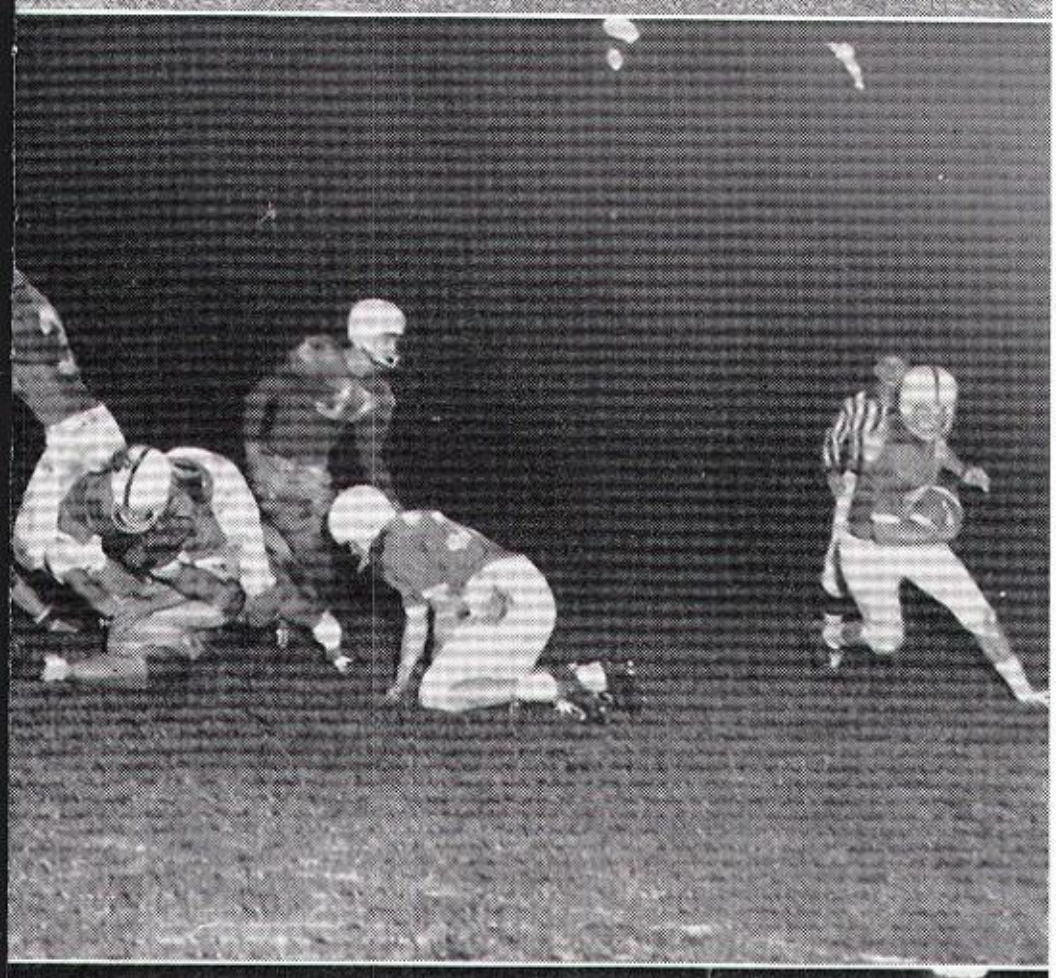
Johnny Tomlinson evades two "twin" tacklers for a long yardage.



Litton 13; Hillsboro 32

The best team that Hillsboro has produced in 14 years rolled over the Lions, who suffered their worst defeat in many years. This tilt was referred to as a David vs. Goliath contest. The Burros stacked a defense as stubborn as their nickname and turned into speed demons on offense; they led 19 to 6 at halftime. Litton was no doubt overpowered by size, weighing about 25 pounds less per man. Tomlinson made both Lion touchdowns. He, Johnny Spain, and James Young were particularly outstanding, despite the beating they took.

Lions—Gerald Harper, Jerry Cantral, George Parsons, and Steve Shaw watch ball roll dead.



Litton 13; Springfield 14

Before a capacity homecoming crowd, the Yellow Jackets stung the Lions for the second straight year by only one point. As in preceding games, the Lions were outweighed, this time by 22 pounds per man; however, they were not outfought. Larry Mayhugh, standout Springfield fullback, led the opponents with blockbustering runs that jarred the Litton defense. Steve Shaw ran a beautiful 94-yard TD, which proved to be the longest run of the season in the N.I.L. One player could not be singled out because the entire squad performed valiantly throughout the game.

Quarterback Butch Burnette runs option for yardage, while Kenneth Gregory, Steve Shaw, and Gerald Harper block for him.

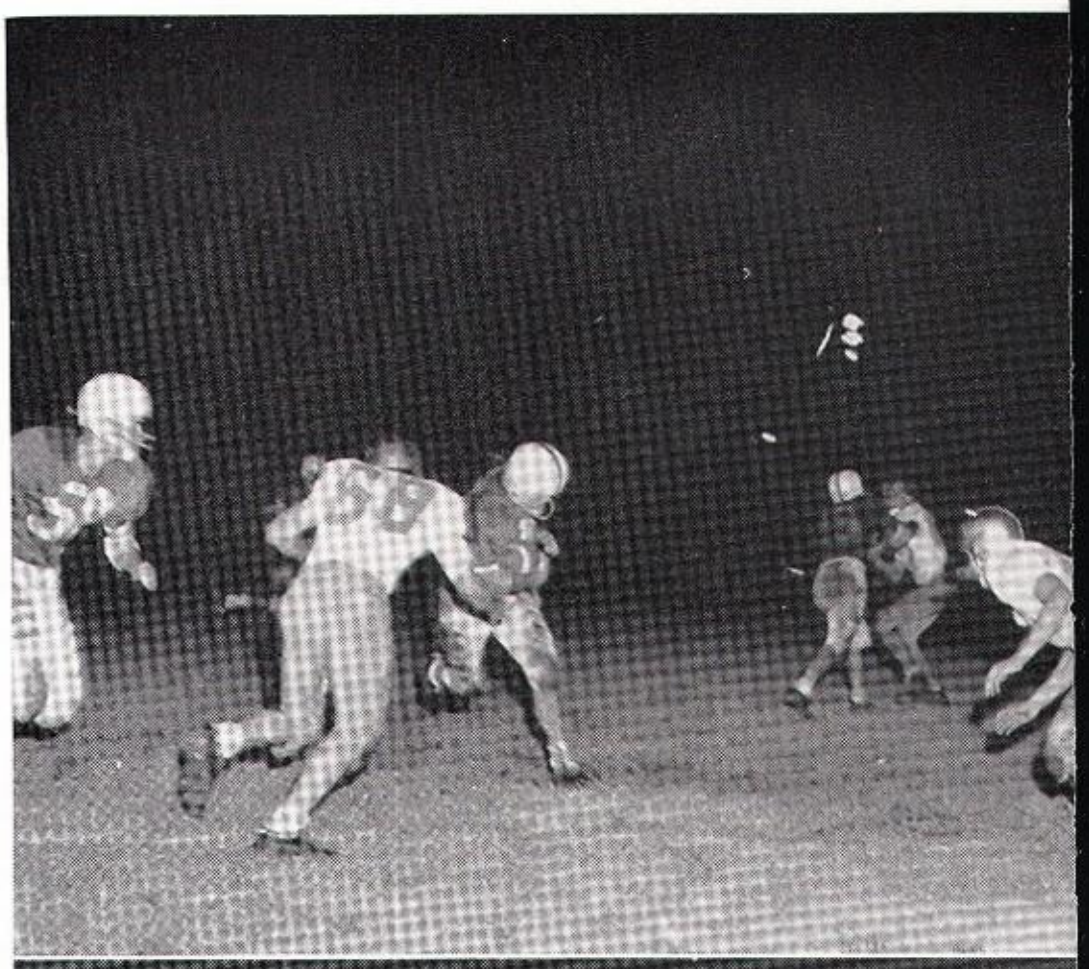
Litton 12; Oak Ridge 61

This long awaited tilt became a "nightmare," as the "atomic power" poured over Litton. A great disadvantage to the Lions was playing under adverse weather conditions which they had never witnessed before. Heavy rain fell throughout the game, making a giant mud hole from one goal to the other. This was nothing new to the Oak Ridge squad, as they played most of their games this season in the rain. Only leading 19 to 12 at halftime, the Ridgers broke loose and played a 42 to 0 second half, during which the Lions' offense and defense were literally "chilled."

Kenneth Gregory heads way for Johnny Tomlinson, who runs to pay dirt in the "muddiest of all battles."

Litton 35; Goodlettsville 7

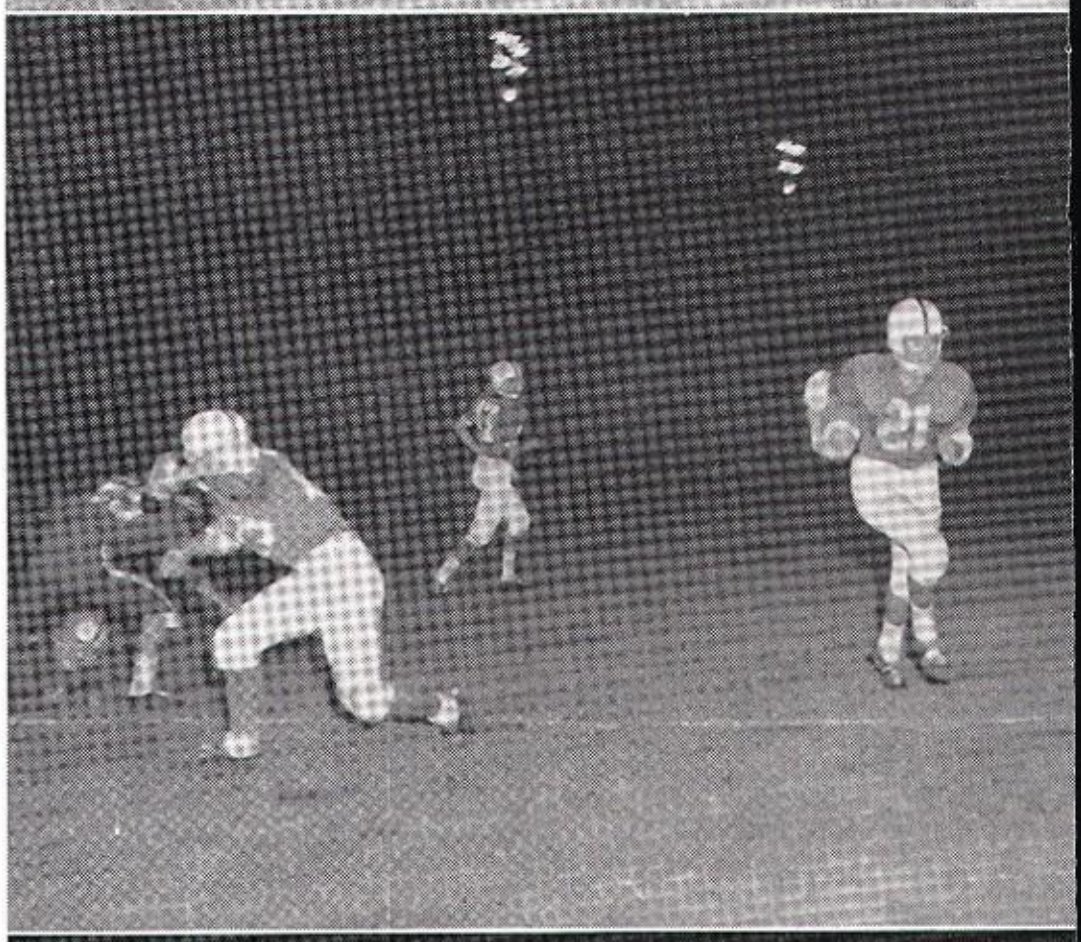
In their last N.I.L. game, the Lions crushed hapless Goodlettsville. The Trojans fought stubbornly the first quarter, and both teams were held scoreless. However, Litton broke loose and touchdown after touchdown followed. Sophomore Jack Ray was the second-half standout; he also scored a TD. The Big Bluemen piled up 313 yards rushing and 54 yards passing, while they pushed the markers for 17 first downs. Tomlinson, who racked up 169 yards, Shaw, and Burnette were offensive standouts. The reserve unit maintained action the last quarter.



Johnny Spain makes one of his many runs to score, as Reeder Glass (50) and Johnny Tomlinson (29) help clear the way.

Litton 39; East 0

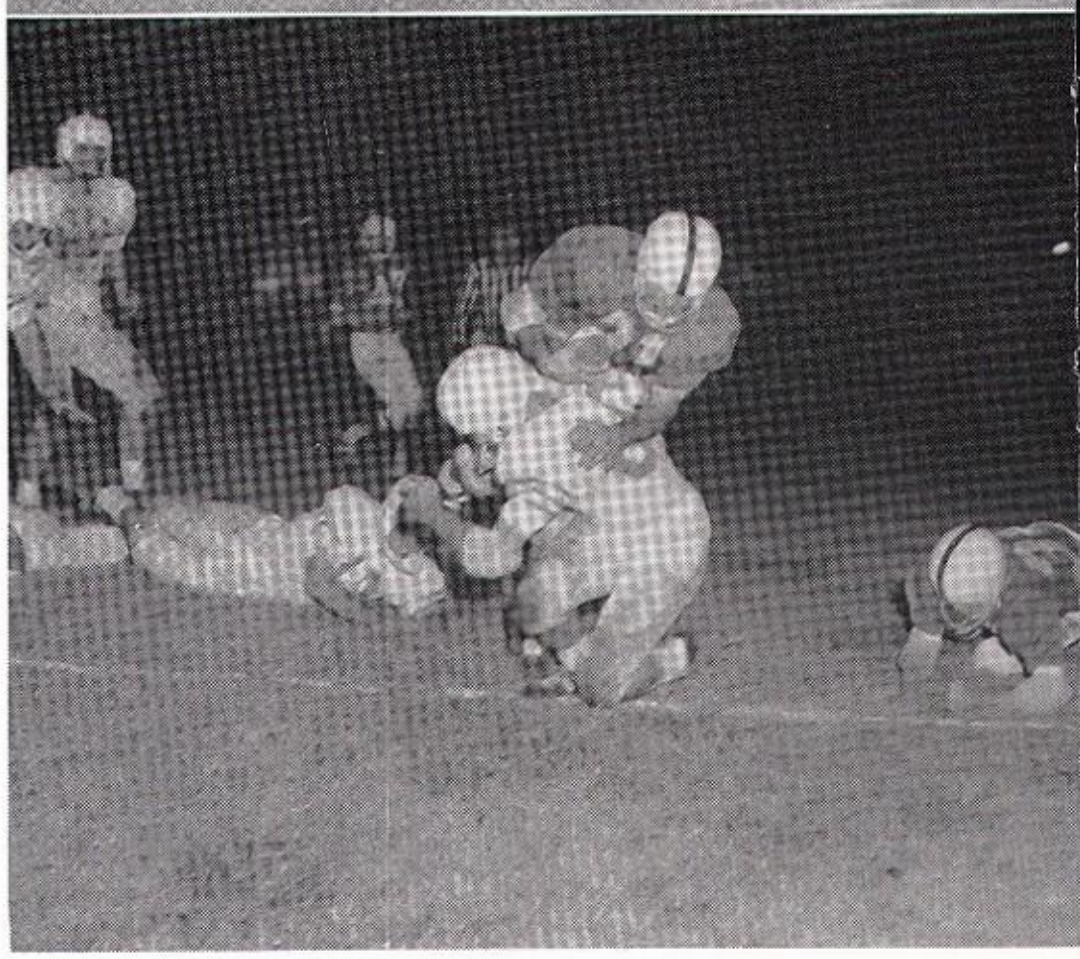
Showing all the power of past teams, the Blue Chargers really turned on the steam to completely melt East's Eagles. The Lions gained 396 yards and completed five out of six passes for an additional 98 yards. Scoring touchdowns in the rout were: Tomlinson 2; Shaw, Spain, Stroud, and Muse. Litton ran up a 20 to 0 half-time lead over the rival Eagles, and reserves played most of the second half. With less than two minutes left in the game, reserve quarterback Lewis Owen passed to Bill Muse who scored the last TD.



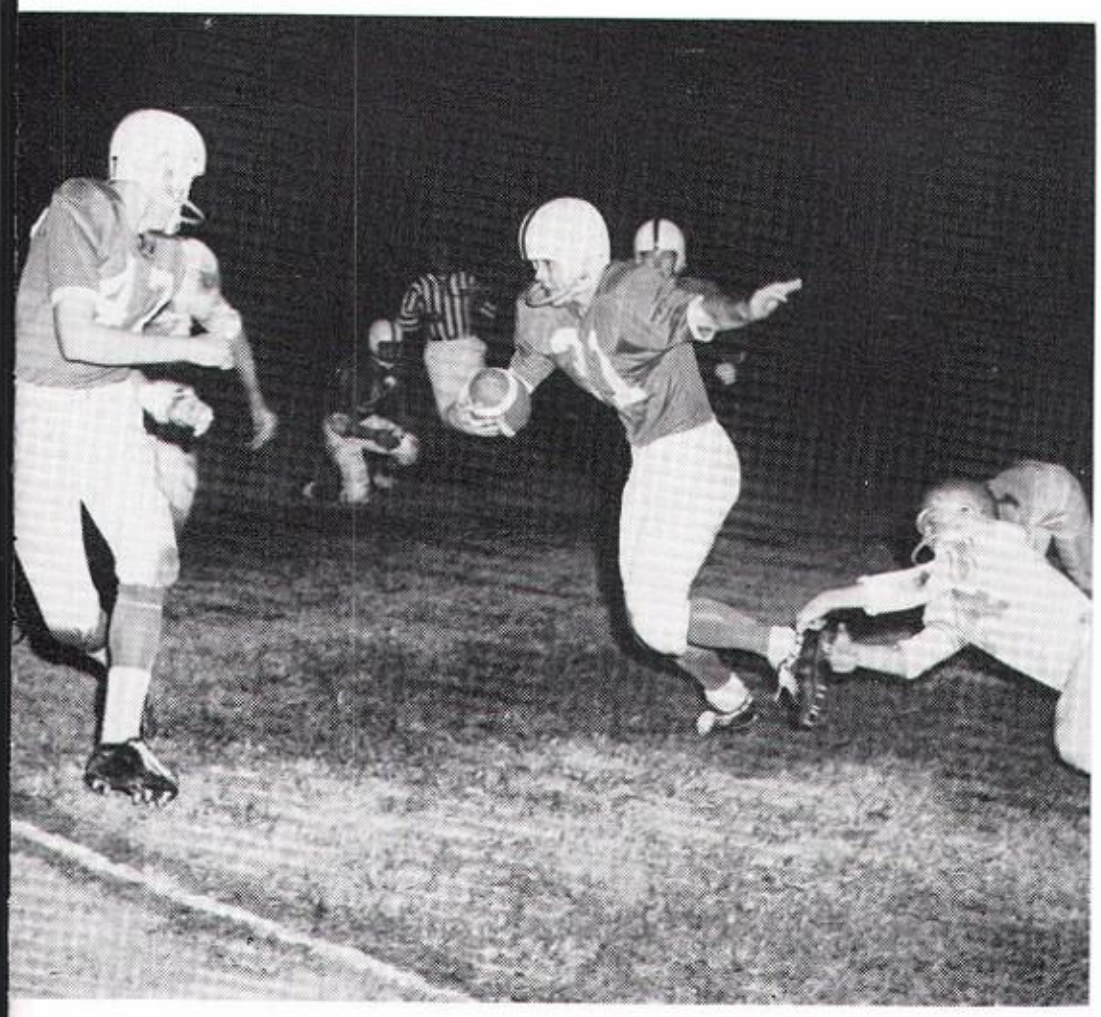
Steve Shaw is in the clear to make one of his outstanding scoring runs. Tomlinson blocks as Butch Burnette looks on.

Litton 27; Ryan 7

After struggling to a scoreless tie the first two quarters, the power-charged Lions returned to score four touchdowns and stun a "would be" tough Ryan squad. Bone crushing tackles caused six Panther fumbles. Tomlinson gained 148 yards rushing in 24 carries, and his performance earned him *Banner* "Player of the Week" honors. Tomlinson, Shaw, Spain, and Harper scored the "Big Four." Parrish recovered a Panther fumble, which became a TD two plays later. Spain also recovered a fumble and ran to pay dirt. Litton outrushed the Irish 243 yards to 197 and outpassed them 34 yards to 5.



Nothing stops Spain from scoring as he barrels on over opposition. Burnette and Bill Muse watch.



Litton 13; M.B.A. 32

Litton set the pace when Burnette carried the opening kickoff back 34 yards to M.B.A.'s 44. Spain carried most of the next six plays, and Tomlinson scored. However in nine plays, the Maroons had tied the score 7 to 7. M.B.A. led only 14 to 13 at halftime, but returned in the third to score three times. The Lions had given the Maroons a big threat during the first half, but lost hold in the last. Tomlinson led the ground attack with 114 yards, Spain had 87 yards; Harper, who caught a 5 yard TD pass, was also a defensive standout.

Butch Burnette leads way for Johnny Spain, as Bill Muse follows.

James Young and Johnny Tomlinson were the 1958 Lion "trophymen."

Once again the Lions' basketball team recorded a good and memorable season to go down in history. Litton has one of the best high school athletic programs, and the boys did justice to their high standards this season.

Under new coach, Ronald Webb, the Lions produced one of their better seasons with a record of fourteen wins and six losses in regular season play, and placed fourth in the 19th district standings.

The team was a very young one, considering that all the starting five were juniors. These were Bill Muse, Steve Shaw, Jere Ray, Roger Patterson, and Butch Burnette, who were ably assisted by reserves Steve Morris, Ronnie Head, Reeder Glass, Jack Ray, and Sloan Powell.

Earning "Player of the Week" awards was Steve Shaw, who won three trophies—two of them consecutively. He had a total of 310 points for the season.

In the district tournaments, the Lions had a good start by whipping Antioch, however they fell to DuPont in the second game, after putting up a close fight.

Coach Webb deserves praise for his fine coaching and turning the boys into good material for a winning team. With this year's experience, the Lions of '59 should produce an even greater season.

Captain of the 57-58 Lions during most of the season was the only senior, Jackie Stroud. However it changed hands toward the end and Bill Muse and Jere Ray served as co-captains.

GIRLS' BASKETBALL

Managers Joan Duncan and Martha Grimes.

The powerful Lionesses of 1957-58 produced one of the finest basketball seasons ever for a Litton team. They finished the regular season with 16 wins and 4 losses; won the District Runner-up title, then captured the Region V championship, and finally the State Runner-up title. The final won-lost record was 23-6. This wonderful record will always be remembered.

After losing two regular season games to DuPont, the Lionesses fell to the Old Hickorians a third time in the District tournament; but when it came time for the game that really counted, the Lady Lions displayed more power than ever to defeat DuPont in the Region. Only the regional champs were eligible to enter the State; thus, Litton went in and dropped Henderson and Woodbury. After these two hard-fought victories, the Lionesses fell to a determined Loretta team.

The Lionesses had several outstanding players this year. Mary Wherry was named on the All-District, All-City, All-Region V, and All-State teams. Gayle Brumbach placed on the All-City, All-Region V, and All-State teams. She was also named as Region V Most Valuable Player. Judy Jennings made All-District, All-City, and All-Region V.

Mary Wherry and Susan McGinnis served as co-captains, and Martha Grimes and Joan Duncan were managers.

Mrs. Mae Thompson has coached the Lionesses for three years and has had a great season each year, but this was by far the greatest.

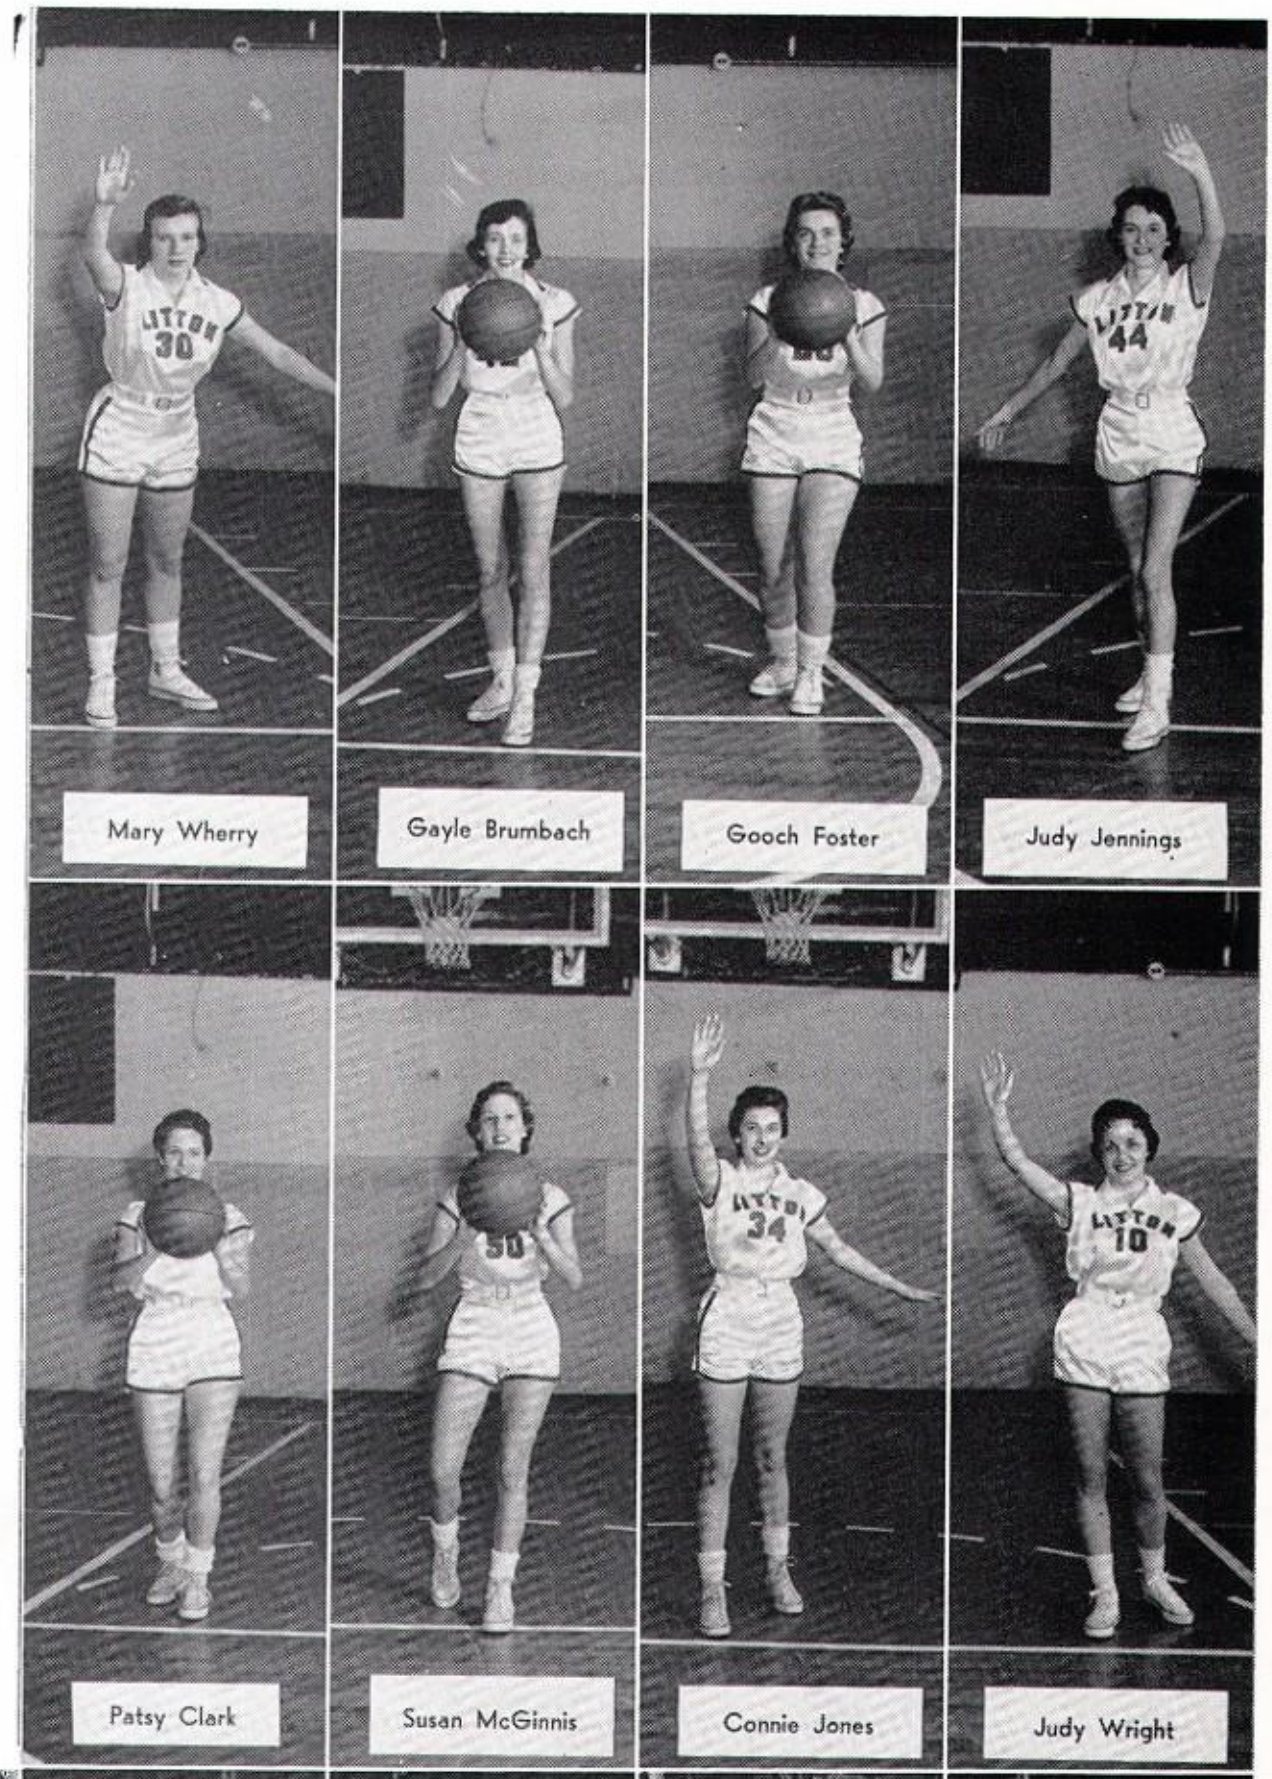
Row 1: Susan McGinnis, Patsy Clark, Gayle Brumbach, Judy Jennings, Mary Wherry, Judy Wright. *Row 2:* Linda Gail Fergus, Sandra Frey, Connie Jones, Gooch Foster, Judy Graham. *Row 3:* Managers Joan Duncan, Martha Grimes; Linda Richmond, Marsha Hurt, Betsy Jo Ellis, Coach Mae Thompson.

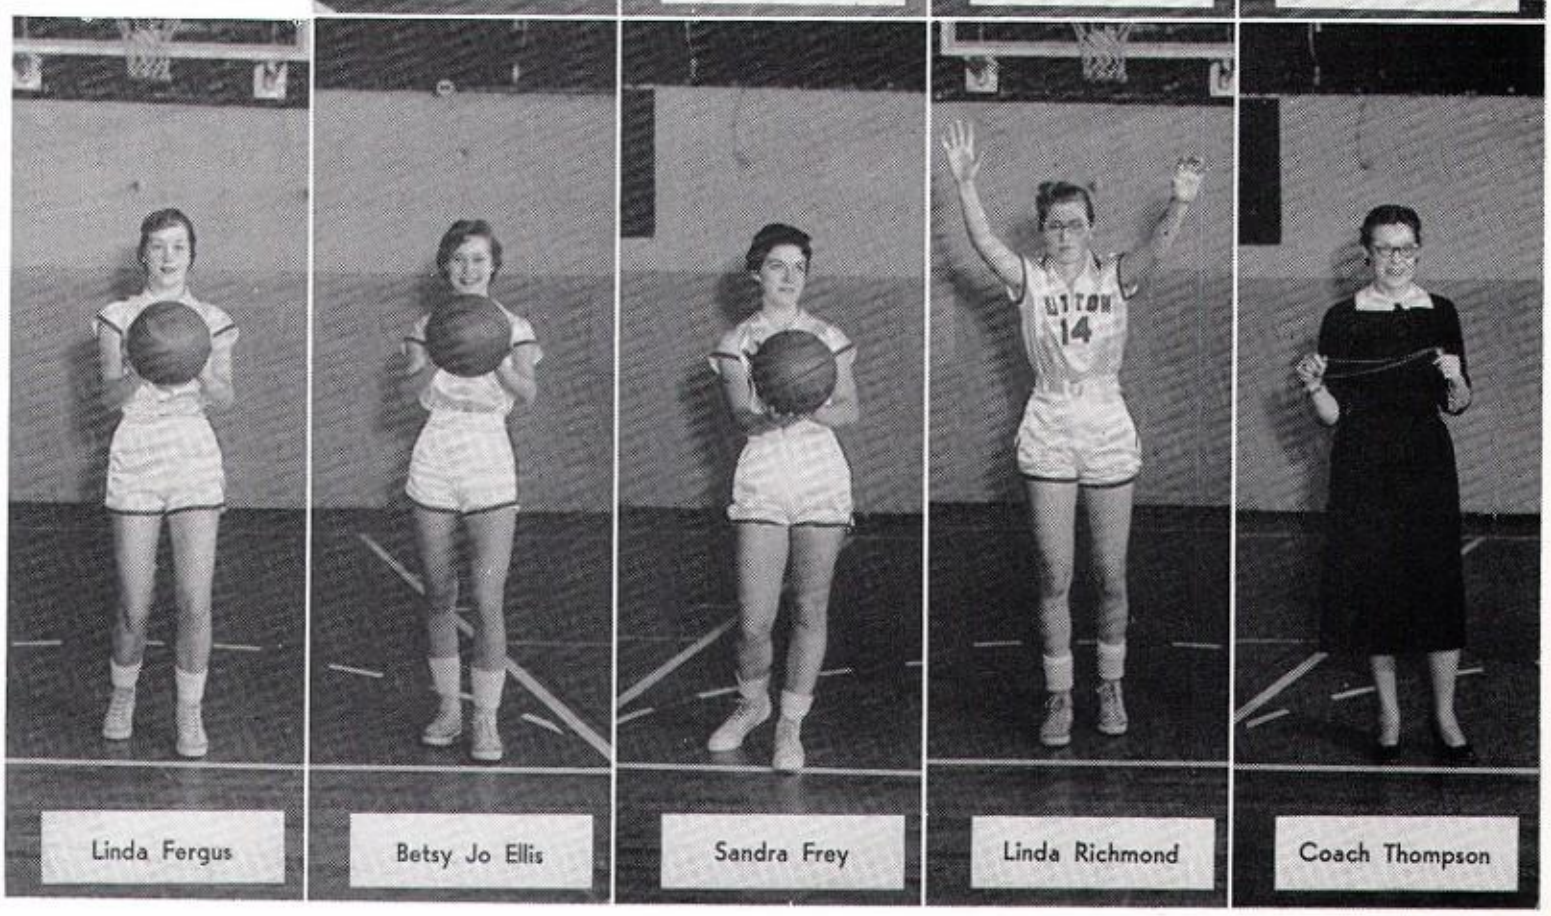
Leading the Lionesses for 1957-58 were forwards Gayle Brumbach, Susan McGinnis and Gooch Foster. Starting guards were Judy Wright, Mary Wherry, and Judy Jennings. Gooch Foster was the only starting junior. Patsy Clark, the remaining senior, was a reserve.

Gayle Brumbach was the high scorer with 445 points. Susan McGinnis had a total of 246 points, and Gooch Foster tallied 254 points to lead the Lionesses in the scoring field.

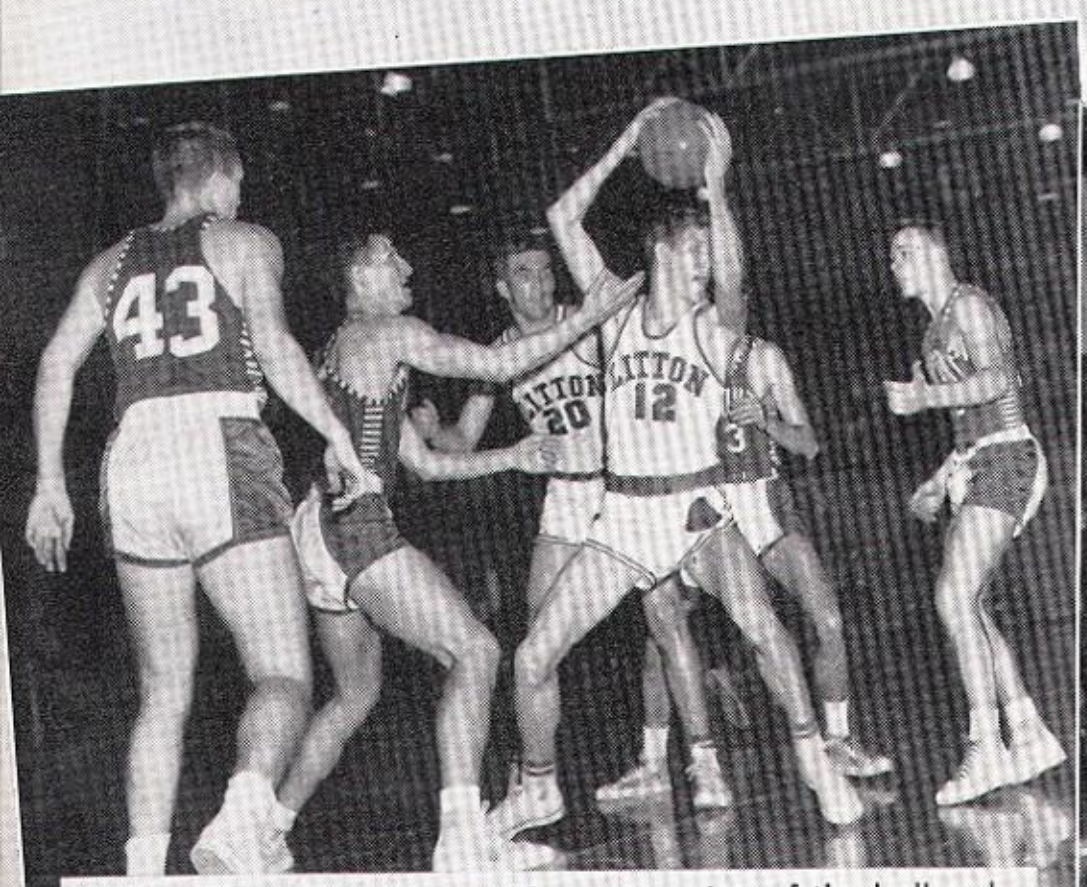
Giving valuable assistance to the forwards were Patsy Clark, Sandra Frey, and Betsy Jo Ellis. Aiding the guards were Connie Jones, Linda Richmond, Marsha Hurt, and Judy Graham. Sandra Frey and Judy Graham were the only freshmen on the varsity squad. Linda Gail Fergus was very capable at filling both forward and guard positions.

All of these reserves, except Clark, will be back on the team next year. With the good experience and training that these girls received this year, they should be able to produce another winning season.



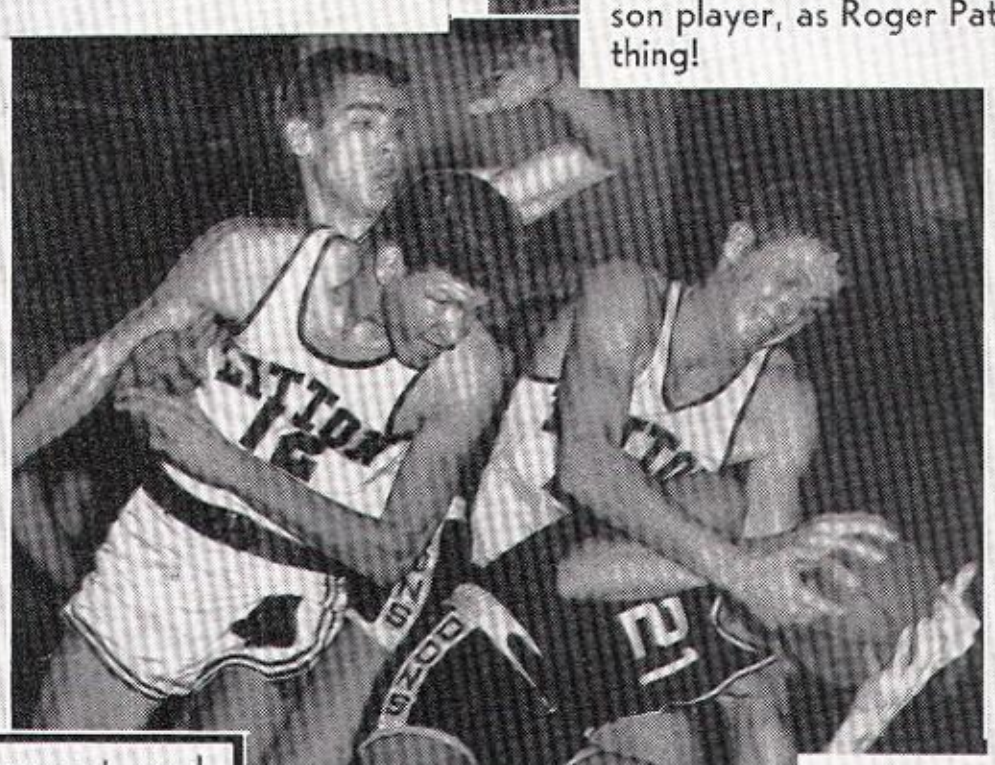


These were the twelve girls who went to the State tournament with their coach.

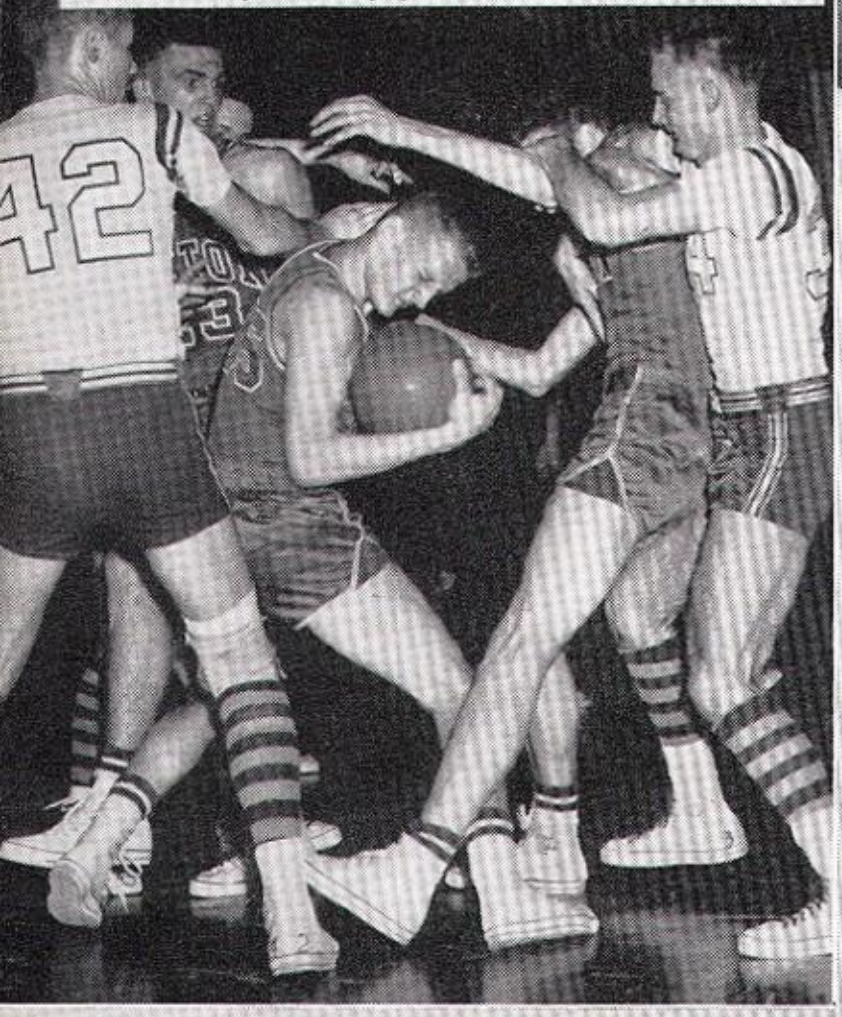


Roger Patterson gains positive possession of the ball as he holds it high out of DuPont's reach. Jere Ray comes to his assistance.

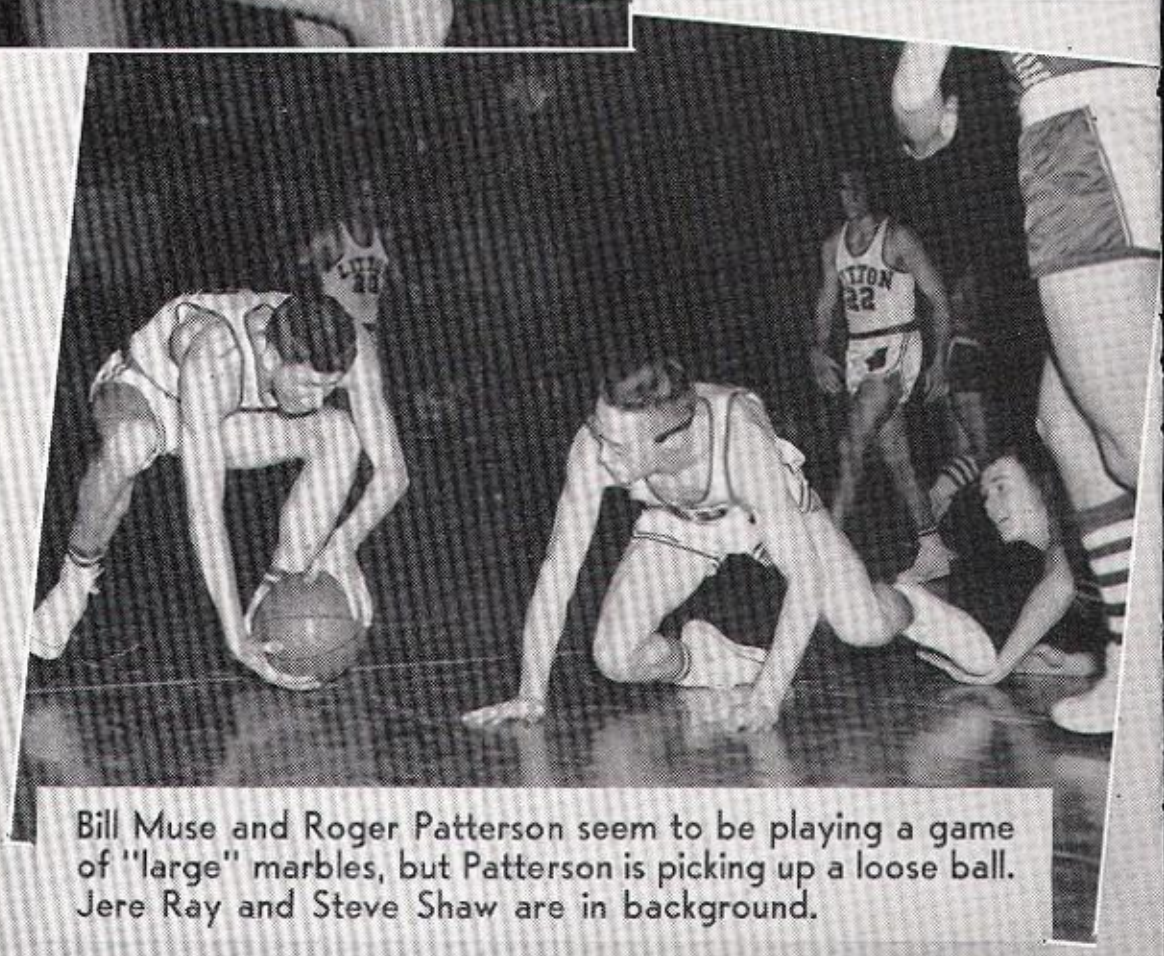
Steve Shaw and Jere Ray try to tie up the ball with a Ma
son player, as Roger Patterson keeps him from saying a
thing!



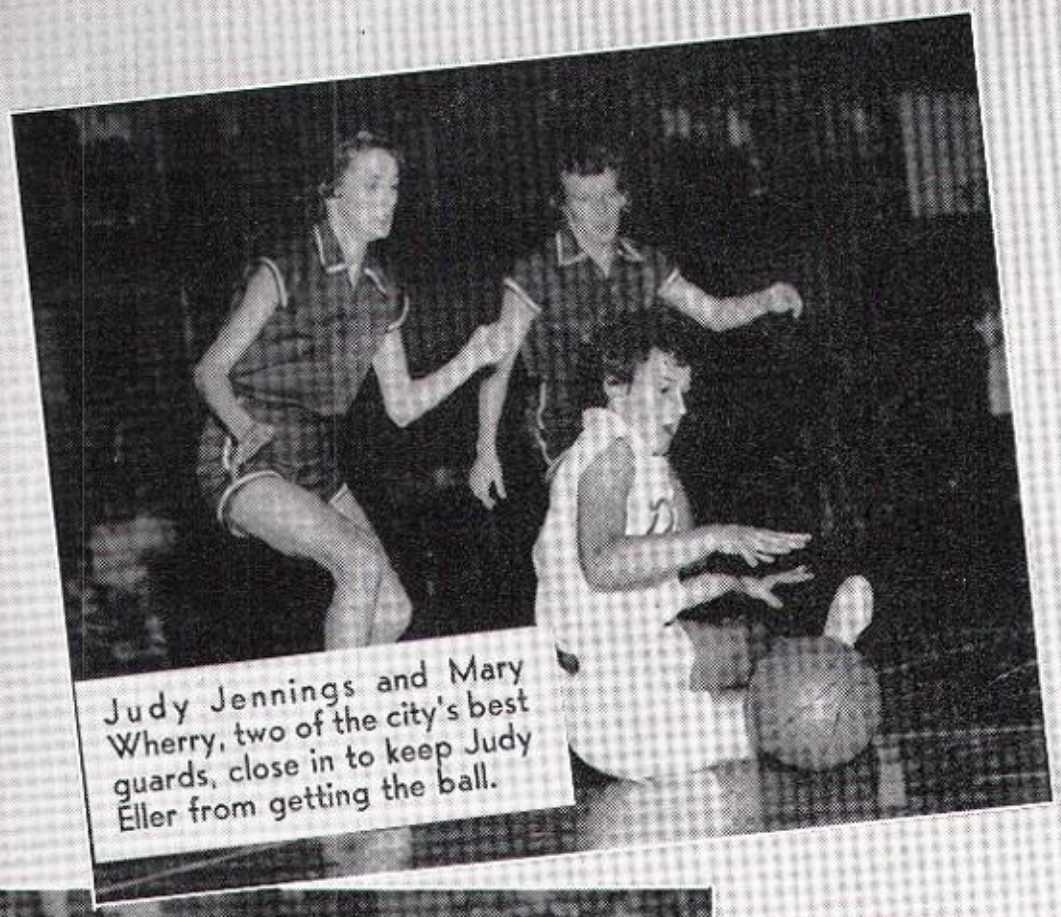
"It's your head or the ball" says Jackie Stroud, as Patterson closes in.



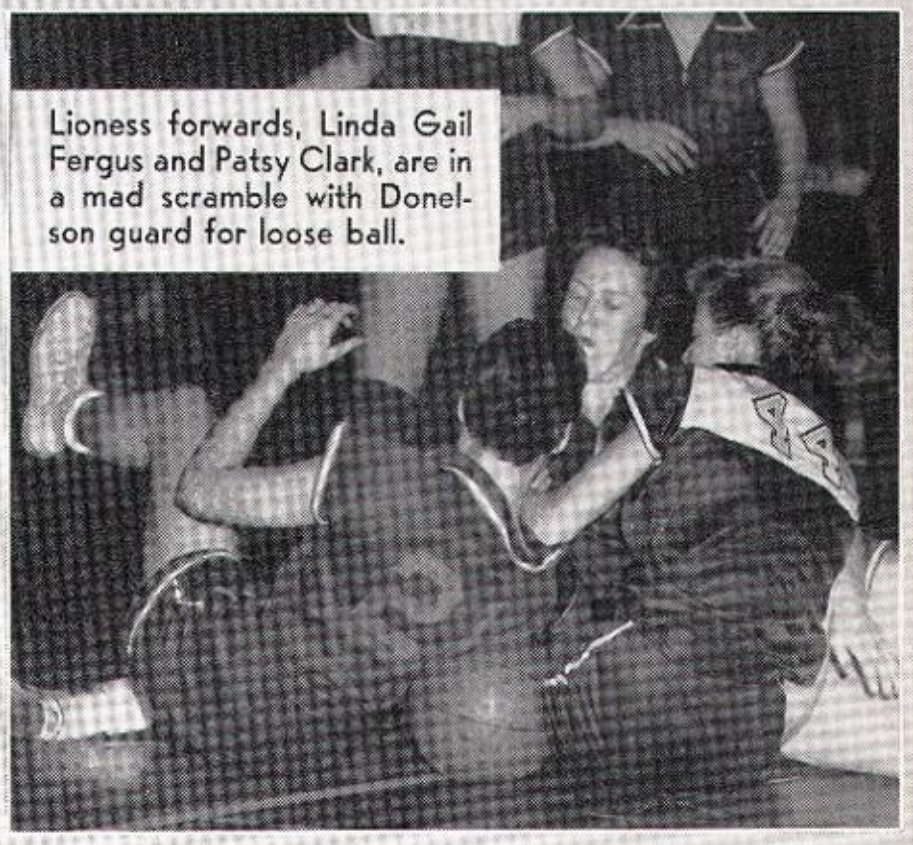
Butch Burnette can't find a way out, and doubles up to keep possession of the ball.



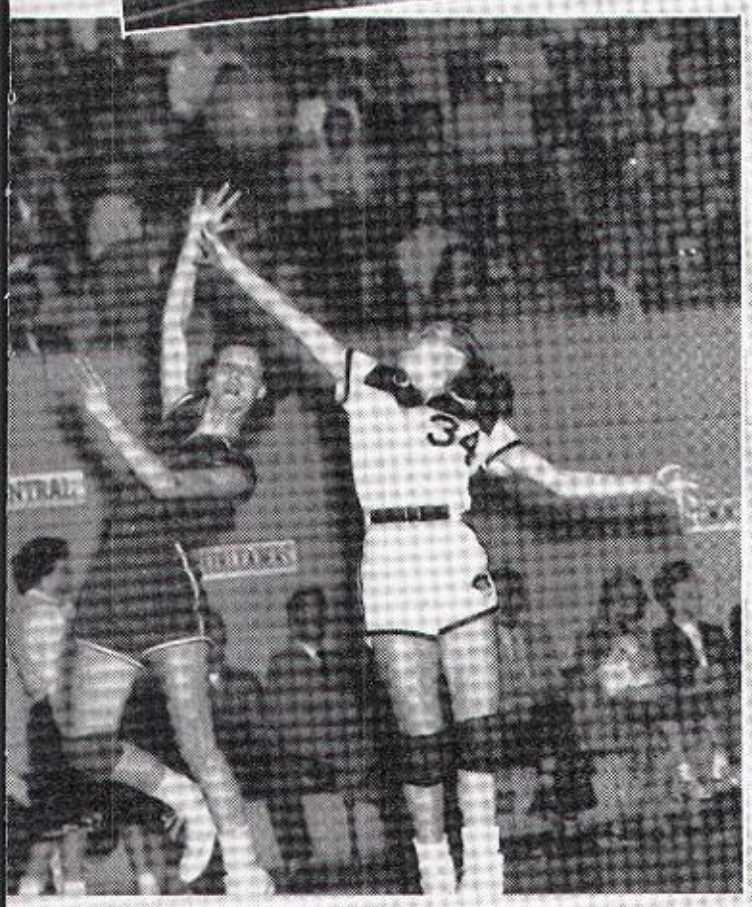
Bill Muse and Roger Patterson seem to be playing a game of "large" marbles, but Patterson is picking up a loose ball. Jere Ray and Steve Shaw are in background.



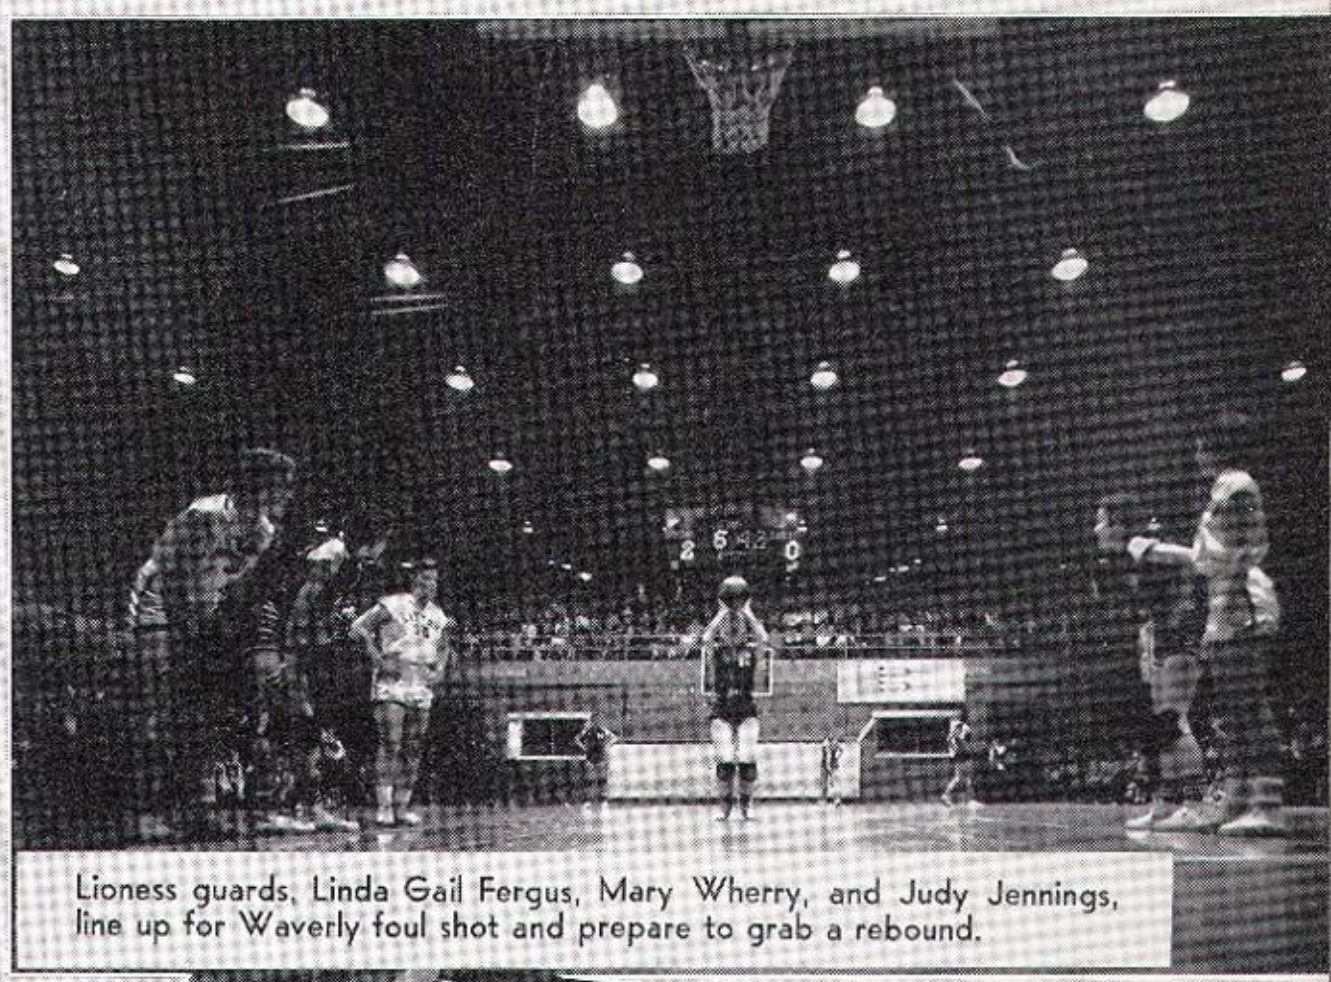
Judy Jennings and Mary Wherry, two of the city's best guards, close in to keep Judy Eller from getting the ball.



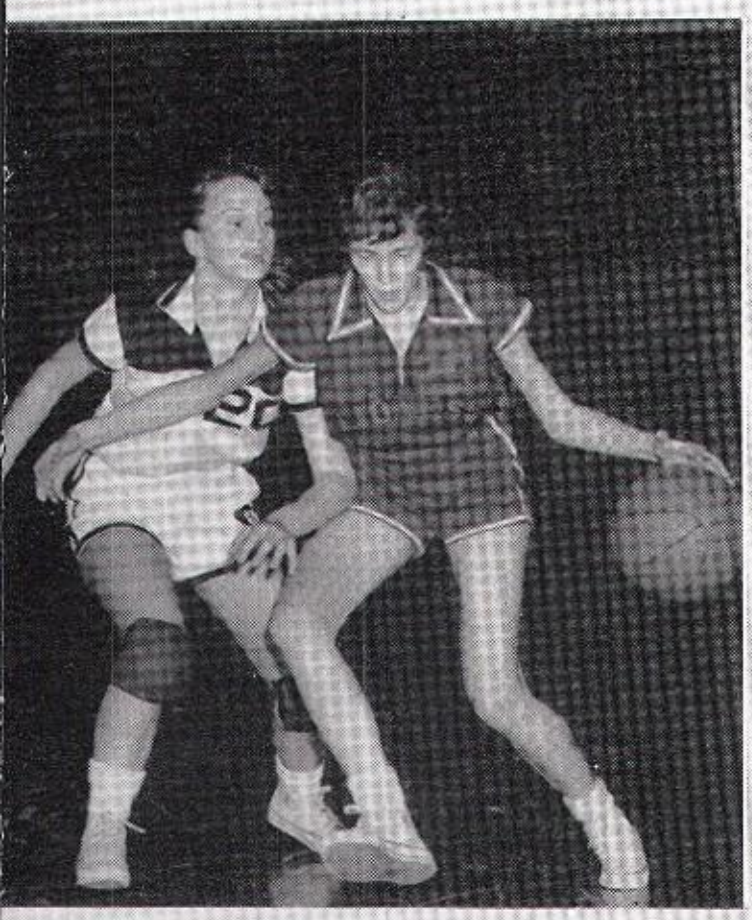
Lioness forwards, Linda Gail Fergus and Patsy Clark, are in a mad scramble with Donelson guard for loose ball.



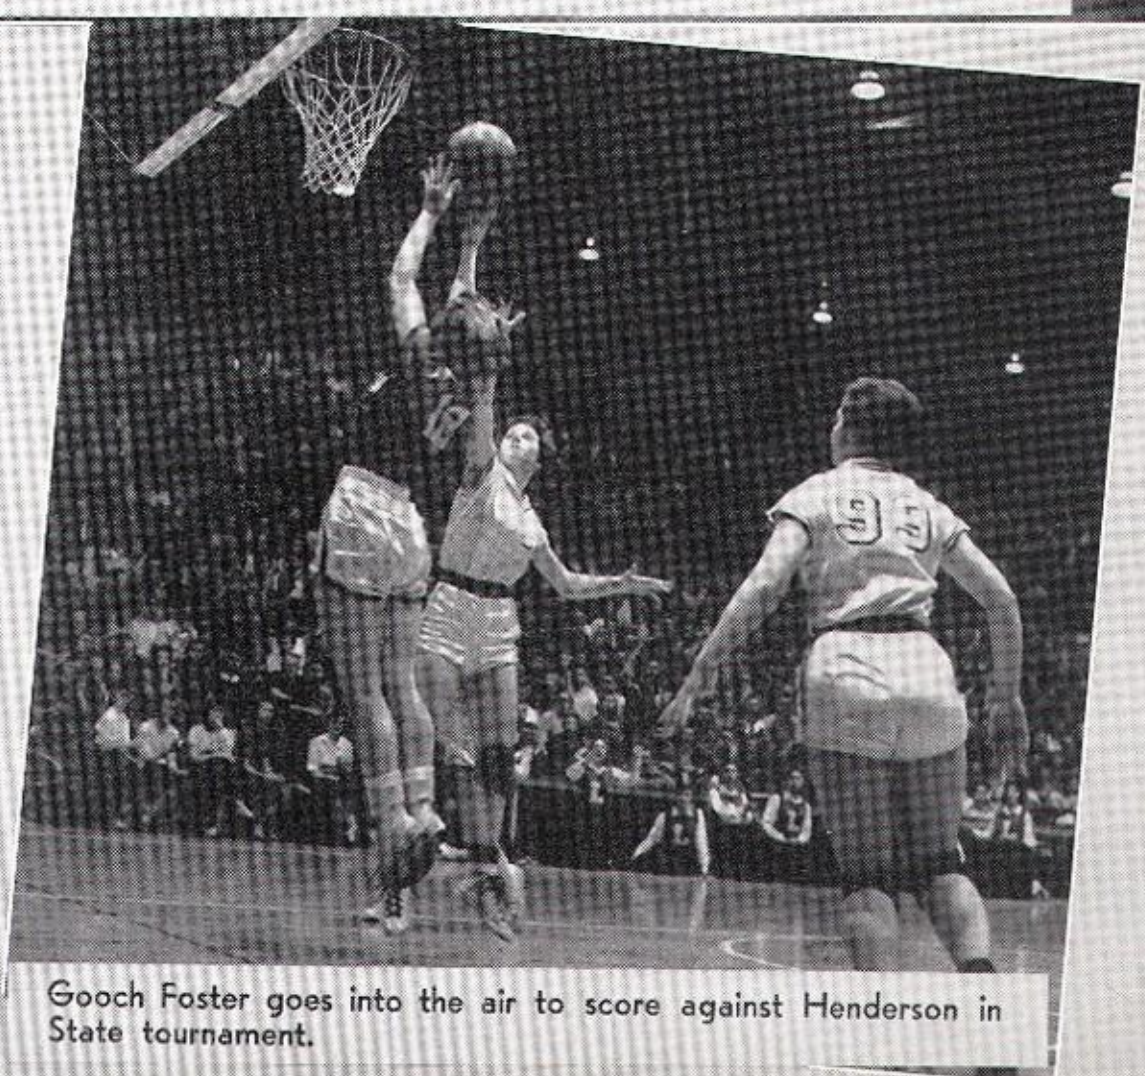
usan McGinnis goes up for one of her good hook nots.



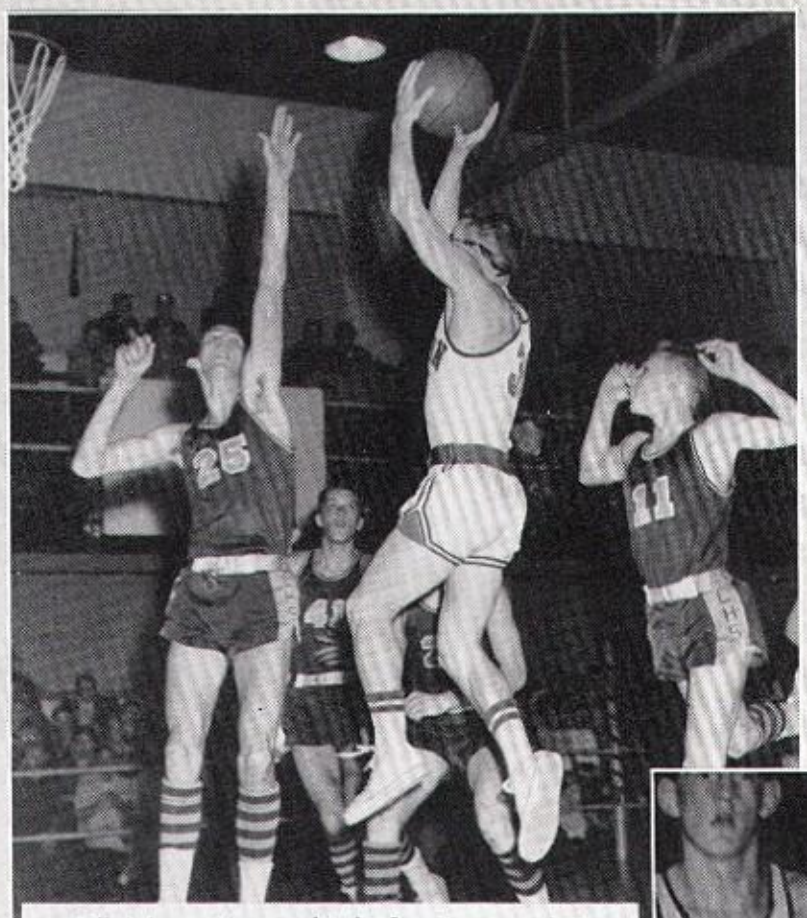
Lioness guards, Linda Gail Fergus, Mary Wherry, and Judy Jennings, line up for Waverly foul shot and prepare to grab a rebound.



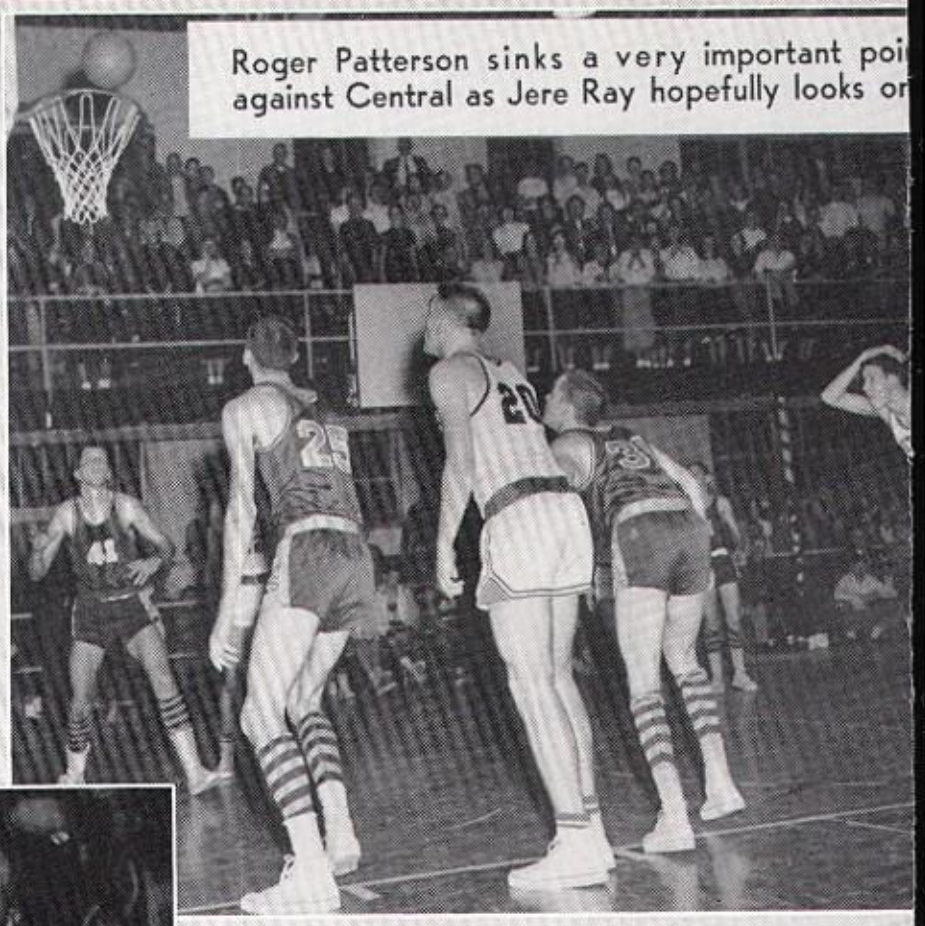
Gayle Brumbach, Region 5 Most Valuable Player, displays ball control as she slips past Donelson guard.



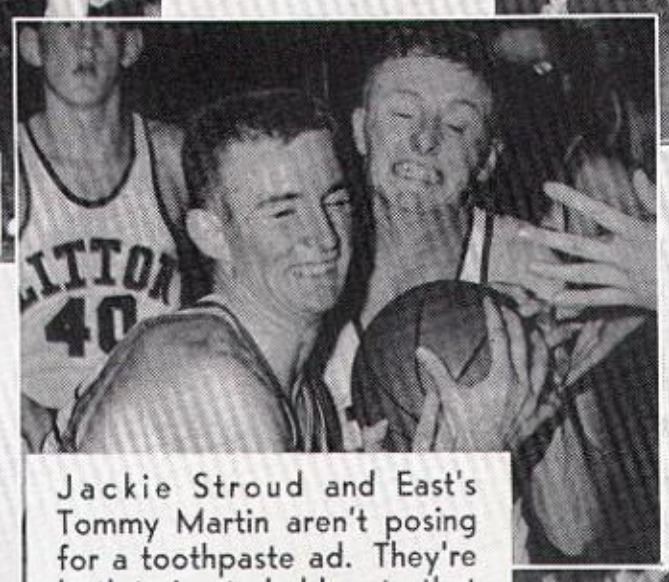
Gooch Foster goes into the air to score against Henderson in State tournament.



Bill Muse jumps high for two points in Central game.



Roger Patterson sinks a very important poi against Central as Jere Ray hopefully looks or



Jackie Stroud and East's Tommy Martin aren't posing for a toothpaste ad. They're both trying to hold on to that ball.

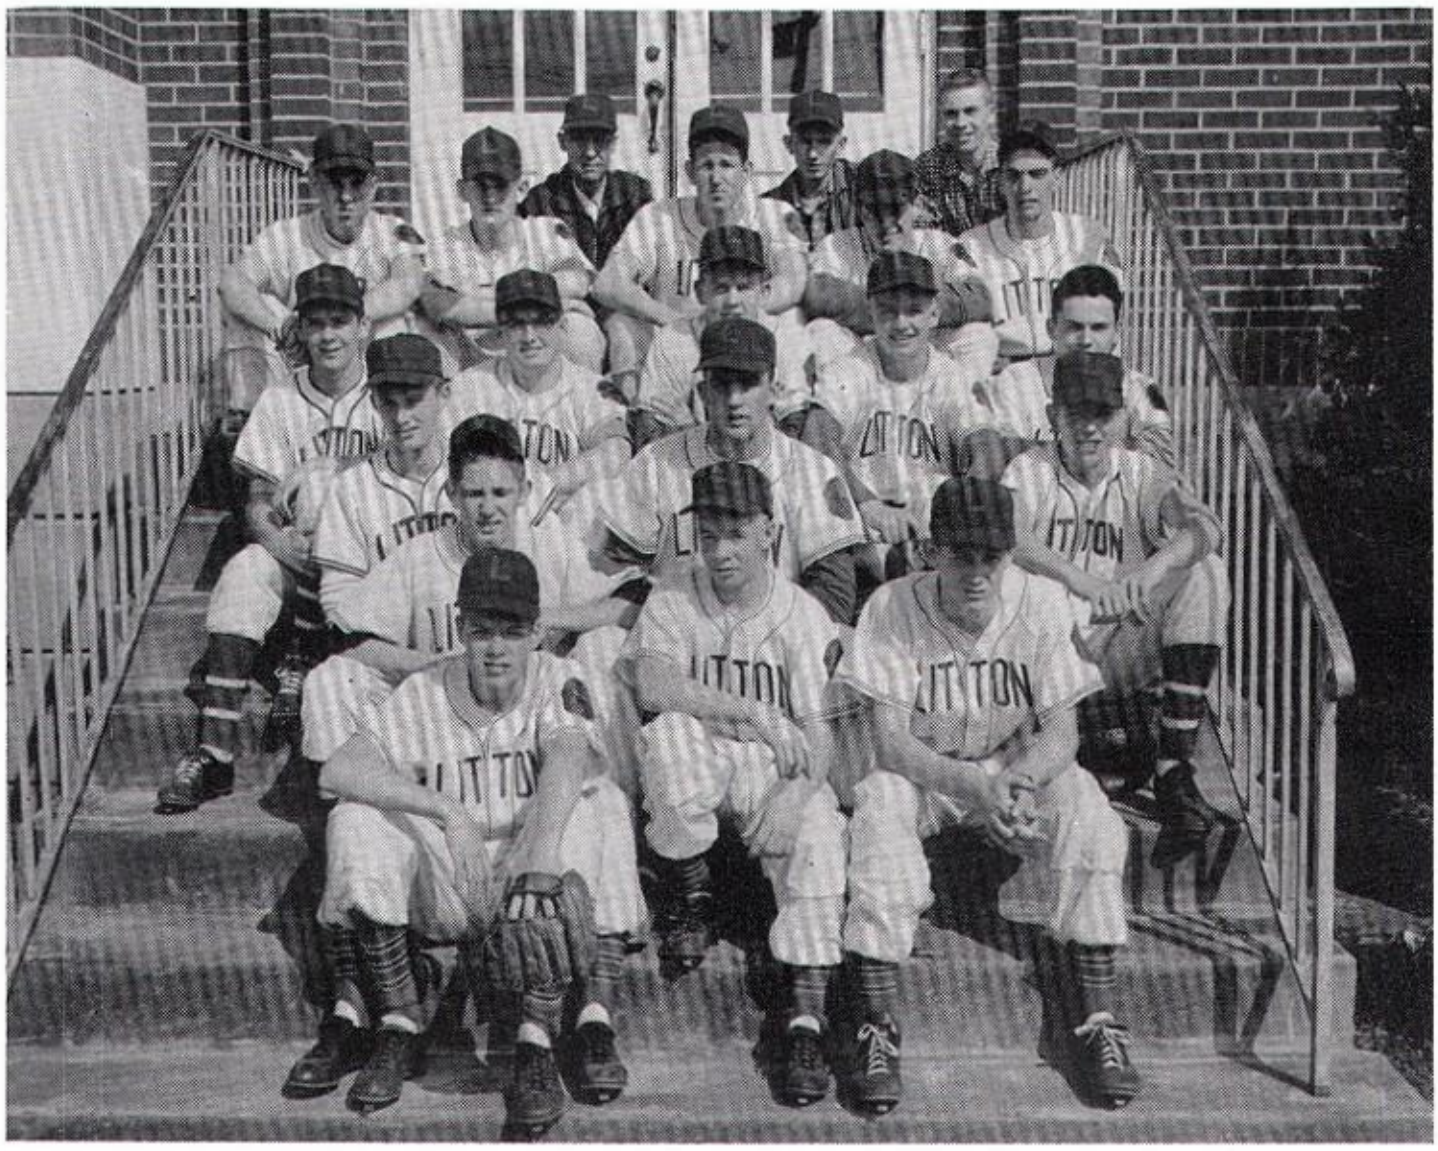
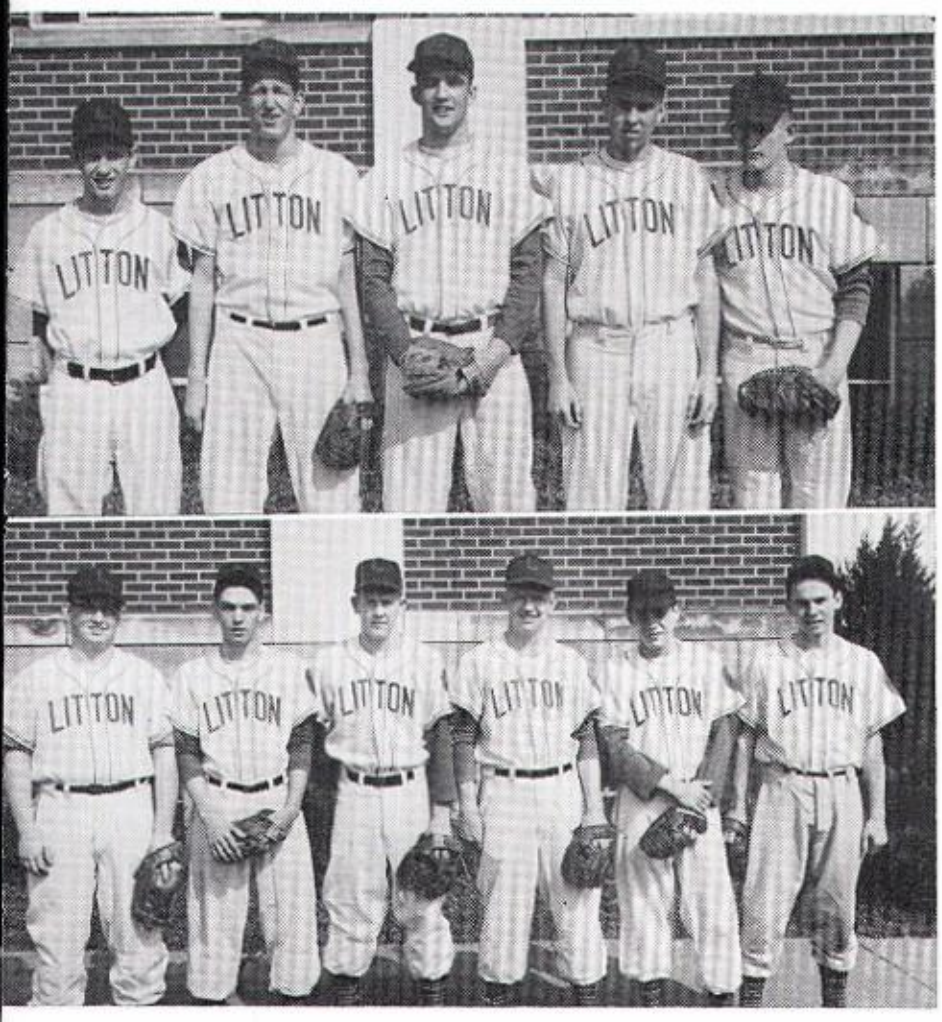
Tournament players, Linda Fergus, Gayle Brumbach, Constance Jones, Mary Wherry, Judy Jennings, and Judy Wright, admire six trophies that they have won in the past two years. These are the 1957 Sportsmanship Trophy, 1957 District Runner-up, 1957 Region 5 Runner-up, 1958 State 2nd place, 1958 Region 5 Ist place, 1958 District Runner-up. Gooch Foster and Susan McGinnis were absent from the picture.

1958 BASEBALL AT LITTON



Row 1: Carl Sawyer, James Tillman, Charlie Ingram, James Mathis. *Row 2:* Louis Owen, Jere Ray, Robert Beals. *Row 3:* Charlie McDaniel, Larry Peyton, Gerald Harper, Steve Morris, Larry Young. *Row 4:* Eddie Colly, Butch Burnette, Roger Patterson, Mike Tune, George Stamps. *Row 5:* Coach Jesse Carney, Manager Doug Casteel, Ronnie Head.

James Tillman, Roger Patterson, Jere Ray, Eddie Colly, Butch Burnette are the pitchers and catchers.
Larry Peyton, George Stamps, Gerald Harper, Steve Morris, Mike Tune, Larry Young compose the starting infield and outfield.



The baseball Lions of last year finished the season with a 6-2 victory. They also grabbed second place in N.I.L. standings.

Shortstop Don Tassey provided the needed spark all year long. In his four years of play at Litton he batted over .300 every year. Other individual standouts on last year's team were second baseman Herman Rippy, third baseman Hank Thompson, first baseman Garry Summar, and pitcher Jere Ray.

At the time this article was written, the season for this year was not yet in full swing. Jere Ray, a sophomore last year, gained plenty of experience and should team up with Roger Patterson to give the Lions a 1-2 pitching punch this year. James Tillman, a freshman, will complete the hurling staff.

Juniors Mike Tune and Gerald Harper will handle the keystone spots, while either George Stamps or Steve Morris will hold down third. Patterson and Ray will alternate at first base. Butch Burnette will handle catching duties for the Lions. This is Burnette's first year in baseball.

Coach Carney predicted a good season for his non-senior squad.

1958 TRACK AT LITTON

Coaches John Jolliffe, Bill Thompson, Bill Harris, Ronald Webb

Litton's Young Moderns have taken a note from the Greeks fold in finding a rejuvenated interest in the most basic of all sports—track. But interest isn't the only note. The skill of this year's thinclads is brought to prominance by the seven new school records set during the 1958 season.

There will be only four casualties due to graduation—Jackie Stroud, Roger Gower, Bill Jenkins, and Johnny Tomlinson. These however are key stones in the team's foundation; their loss will leave vacancies in the 100 yd. dash, 440 yd. dash, 880 yd. run, on the 880 yd. relay, 440 yd. relay, mile relay, and two mile relay teams, and pole vault.

At the time of this writing very few results were available for print, but it was evident that track had become the highlight of spring sports at Litton.

The events and their participants were as follows: High hurdles—Bill Center, Steve Shaw; 100 yd. dash—Johnny Tomlinson, Bobby Yates; mile run—Paul Lowery, Charles Brawner; 880 yd. relay—Yates, Tomlinson, Wayne LaCroix, Jerry Parrish. 440 yd. dash—Jackie Stroud, Wayne Jackson; low hurdles—Steve Shaw, Russell Hancock; 220 yd. dash—Yates, Butch Shaw; 880 yd. run—Roger Gower, Jack Ray; 220 yd. dash—Yates, Butch Shaw; 440 yd. relay—Tomlinson, Parrish, LaCroix, Muse.

Mile relay—Steve Shaw, Jackson, Ray, Stroud, Two mile relay—Eddie Tune, Bill Muse, Lowery, Gower.

Field Events:

Broad jump—Tomlinson, Jenkins, Shaw; Discus—Jerry Cantrell, Lynn Turner, Mike Crane; Shot put—Reeder Glass, Stroud; Pole Vault—Sloan Powell, Jenkins; High jump—Jackson, Steve Shaw.

BOYS' TENNIS

Boy's tennis was revived last spring for the first in several years. Although last year's entire squad was lost due to graduation, several boys were enthusiastic about forming the team again this season. Tennis has steadily increased in popularity among the school set.

At the time this article was written, the season was not yet in full swing and no records were available. Last year's team lost a majority of their games, but the new squad had hopes of raising Litton's record. The senior members of the racket squad were John Spinning, Lewis Lampley, Buster Gore, L. A. Sturdivant, and Frank Friedmann. Pat Work, a junior, and Lathan Davis, a sophomore, will be gaining some good experience for next year. Hershall Moore is the coach.

GIRLS' TENNIS

One of the most enjoyable of spring and summer recreations—tennis—has become a regular sport among the girls. At the time of this writing the 1958 season had just begun. The team lost two outstanding players, Judy Dean and Barbara Malone, due to graduation last year.

However, with returners such as Nancy Lucas, Mary Wherry, and Gayle Brumbach, another good season was expected. Last year the Litton girls had a fine record as they won seven and lost two, to place in 3rd NIL position. The new members of this year's team were Judy Apple, Judy Jennings, and Connie Jones. Shelia Ferguson and Patsy Borum filled in for one match in the absence of two regular members. Miss Ruby Bateman is the coach. Tennis is certainly a sport and recreation that everyone enjoys.

Girls' tumbling is presented in a gymnastic program in the spring. The second annual gym jamboree was held in March under direction of Miss Ruby Bateman. Approximately 100 girls out of the physical education department participated in various tumbling and co-ordination stunts.

These stunts included a solo hand-stand act, a trampoline act, and a comedy act with hobos. This year a new act was presented, which required extreme balance and co-ordination. It consisted of seven girls climbing two ladders, balanced only by these girls.

Miss Bateman spent much time in planning, and helping the girls to produce another enjoyable jamboree.

National Merit Scholarship Winner

Again this year a wonderful honor has been bestowed upon our school and one of our talented seniors. Betty Lane was chosen one of the National Merit Scholarship winners. Being one of the six middle Tennesseans represented from 7,500 national semi-finalists is indeed quite an accomplishment. She received a Gaylord Brothers five year Merit Scholarship sponsored by Gaylord Brothers, Incorporated of Syracuse, New York. Her plans are to study at Peabody College where she will major in library science. Congratulations to Betty . . . a successful young modern.
